Florida Admin Rule 12A-1.094 Public Works Contracts and FS Sec. 212.08:

1. Direct Purchase Order. The CDD must issue its purchase order in its name directly to the vendor supplying the materials the contractor will use and provide the vendor with a copy of the CDD's Florida Consumer's Certification of Exemption.
2. Direct Invoice. The vendor's invoice must be issued to the CDD only, rather than to the contractor.
3. Direct Payment. The CDD must make payment directly to the vendor from public funds.
4. Passage of Title. The CDD must take title to the tangible personal property from the vendor at the time of purchase or delivery by the vendor (this means the CDD owns the property and all documentation, e.g. bill of sale, warranty materials, etc are in the name of the CDD as "Owner").
5. Assumption of the Risk of Loss. Assumption of the risk of damage or loss by the CDD is a paramount consideration. The CDD will be deemed to have assumed the risk of loss if the CDD bears the economic burden of obtaining insurance covering damage or loss or directly enjoys the economic benefit of the proceeds of such insurance.
6. The CDD is required to issue a Certificate of Entitlement to each vendor and to the CDD's contractor to affirm that the tangible personal property purchased from that vendor will go into or become a part of a public work. [Copy of Certificate of Entitlement is attached].
7. The CDD's purchase order for tangible personal property to be incorporated into the public works project must be attached to the Certificate of Entitlement.
8. The CDD must issue a separate Certificate of Entitlement for each purchase order.

CERTIFICATE OF ENTITLEMENT

The undersigned authorized representative of the Laurel Road Community Development District, a local unit of special purpose government (hereinafter "Governmental Entity"), Florida Consumer's Certificate of Exemption Number 85-8018367937C-5, affirms that the tangible personal property purchased pursuant to Purchase Order Number 210509 from Ferguson Waterworks (Vendor) on or after 12/5/22 (date) will be incorporated into or become a part of a public facility as part of a public works contract pursuant to contract # n/a with Forsberg Construction, Inc. (Name of Contractor) for the construction of Vistera of Venice Phase 1.

Governmental Entity affirms that the purchase of the tangible personal property contained in the attached Purchase Order meets the following exemption requirements contained in Section 212.08(6), F.S., and Rule 12A-1.094, F.A.C.:

You must initial each of the following requirements.

- ☒ 1. The attached Purchase Order is issued directly to the vendor supplying the tangible personal property the Contractor will use in the identified public works.

- ☒ 5. Governmental Entity assumes the risk of damage or loss at the time of purchase or delivery by the vendor.

Governmental Entity affirms that if the tangible personal property identified in the attached Purchase Order does not qualify for the exemption provided in Section 212.08(6), F.S. and Rule 12A-1.094, F.A.C., Governmental Entity will be subject to the tax, interest, and penalties due on the tangible personal property purchased. If the Florida Department of Revenue determines that the tangible personal property purchased tax-exempt by issuing this Certificate does not qualify for the exemption, Governmental Entity will be liable for any tax, penalty, and interest determined to be due.

I understand that if I fraudulently issue this certificate to evade the payment of sales tax I will be liable for payment of the sales tax plus a penalty of 200% of the tax and may be subject to conviction of a third degree felony.
