FIRST ORDER OF BUSINESS

Administrative Matters

Roll Call

The Board of Supervisors' Meeting for Laurel Road CDD was called to order at 12:35 p.m. Those in attendance are outlined above either in person or via speakerphone.

Public Comment Period

There were no members of the public present.

Consent Agenda Items #1 – 13

1. Minutes of the April 8, 2026, Board of Supervisors' Meeting
2. C&M Road Builders Proposal for Phase 2 DPO Material
3. C&M Road Builders Proposal for Phase 2 Lift Station Pumps
4. Cornerstone Proposal for Phase 2 Stormwater Pollution Prevention Plan
5. Impact Proposal for Hong Kong Orchid Tree Replacement
6. Impact Proposal for Model Row Tree Replacements
7. Kimley-Horn Agreement for Mitigation Monitoring
8. Purchase and Sale Agreement with Milestone Supply, LLC
9. Safetouch Proposal for Amenity Door Strike Replacement
10. Safetouch Proposal for Kiosk Relocation
11. Payment Authorization Nos. 140 – 143
12. Funding Request Nos. 206 – 209
13. District Financial Statements

The Board reviewed the consent agenda items.

ON MOTION by Mr. Weidemiller, seconded by Mr. Williams, with all in favor, the Board approved the Consent Agenda items 1 - 13.

SECOND ORDER OF BUSINESS

Consideration of Resolution 2026-02, Approving a Preliminary Budget for Fiscal Year 2027, and Setting a Public Hearing Date

Ms. Carvalho noted the recommended date to hold the Public Hearing is August 12, 2026, at 12:30 p.m., at the current location.

Ms. Carvalho gave an overview of the Resolution and noted it has been reviewed by the Development Team and District Staff.

Ms. Lane noted the net revenue of the preliminary budget is \$1,189,127.91. This is an increase and the residents will receive notice.

The Board reviewed the budget. Ms. Snow noted there are areas where the budget can be reduced.

Ms. Snow noted that a full-time employee and two part-time employees are included within the budget.

Mr. Williams recommended reviewing the District Counsel line item and gave a brief overview of the assessment roll process.

The Board reviewed the proposed assessments.

Ms. Lane noted there was an adjustment of \$3.50 in the net income. The net revenue budget was adjusted to \$1,189,124.41.

There was brief discussion regarding the assessment increase and communication with residents.

ON MOTION by Mr. Williams, seconded by Mr. Weidemiller, with all in favor, the Board approved Resolution 2026-02, Approving a Preliminary Budget for Fiscal Year 2027, and Setting a Public Hearing Date for August 12, 2026, at 12:30 p.m., in the Training Room, with a net revenue budget of \$1,189,124.41.

Review of Letter from Supervisor of Elections, Sarasota County

Ms. Carvalho noted that as of April 15, 2026, there are 310 registered voters within the District.

ON MOTION by Mr. Williams, seconded by Mr. Leinaweaver, with all in favor, the Board accepted the Letter from the Supervisor of Elections, Sarasota County.

Consideration of Resolution 2026-03, Designating Board Member Seats for the 2026 General Election

Ms. Carvalho noted the District has met the threshold to have Seats run in the General Election. Seat 1, currently held by Mr. Weidemiller, Seat 3, currently held by Mr. Blakley, and Seat 5, currently held by Mr. Leianweaver, are all up for the General Election.

There was brief discussion regarding what Seats will run for General Election. Seat 1 will run in the Landowner's Election.

ON MOTION by Mr. Williams, seconded by Mr. Leinaweaver, with all in favor, the Board approved Resolution 2026-03, Designating Board Member Seats 3 and 5, for the 2026 General Election.

Ms. Carvalho gave an overview of the General Election process. It was noted the Seats will rollover if no one runs. The Board will have 90 days from the General Election to appoint a registered voter to the Board.

**Consideration of Resolution 2026-04,
Designating a Date, Time and Location for
the 2026 Landowner's Meeting**

Ms. Carvalho noted that Seat 1 will run in the Landowner's Meeting. This Seat has a four year term. The date of the Landowner's Meeting will be November 18, 2026.

ON MOTION by Mr. Weidemiller, seconded by Ms. Snow, with all in favor, the Board approved Resolution 2026-04, Designating a Date, Time, and Location for the 2026 Landowner's Meeting, with a date of November 18, 2026, at the current location.

There was brief discussion regarding the number of registered voters.

**Consideration of Supplemental
Engineer's Report**

Mr. Panaseny noted this is regarding the completion of Phase 2.

Mr. Williams noted there are 190 units within Phase 2 and the public infrastructure is totaled at \$10,964,948.05. It was noted there was a typo on the related Series of bonds.

Ms. Bulleit noted Ms. Claybrooke will be making the adjustments noted.

ON MOTION by Mr. Weidemiller, seconded by Mr. Williams, with all in favor, the Board approved the Supplemental Engineer's Report, with the noted amendments.

**Consideration of Supplemental
Assessment Methodology Report**

Mr. Plenzler gave an overview of the report. It was noted this is related to the Series 2026 bonds and the assessments will be allocated according to the adopted methodology.

ON MOTION by Mr. Williams, seconded by Mr. Leinaweaver, with all in favor, the Board approved the Supplemental Assessment Methodology Report.

**Consideration of Resolution 2026-05,
Bond Delegation Award Resolution**

Ms. Ashton gave an overview of the Resolution. This is related to a second Supplemental Bond Indenture with a not to exceed of \$6 million and is within the parameters of the Supplemental Engineers Report and Supplemental Assessment Methodology Report.

ON MOTION by Mr. Williams, seconded by Mr. Leinaweaver, with all in favor, the Board approved Resolution 2026-05, Bond Delegation Award Resolution.

**Review and Acceptance of FY 2025 Audit
Report**

Ms. Carvalho gave an overview of the auditing process and report. Once approved, the report is filed with Auditing General and posted on the District's website.

ON MOTION by Mr. Williams, seconded by Ms. Snow, with all in favor, the Board accepted the FY 2025 Audit Report.

THIRD ORDER OF BUSINESS

Other Business

Staff Reports

District Counsel – No report.

District Engineer – Not present.

District Manager – Ms. Carvalho noted the next Board meeting is scheduled for June 10, 2026, at 12:30 p.m.

Field Services Operation Manager – Not present.

Lifestyle Director – No report.

Audience Comments and Supervisor Requests

Mr. Weidemiller noted he is resigning from the consultant agreement, and Mr. Wollard will be taking over as the consultant. He noted there are several items that need review.

There were no further comments or requests at this time.

FOURTH ORDER OF BUSINESS

Adjournment

There was no further business to discuss.

ON MOTION by Mr. Williams, seconded by Mr. Weidemiller, with all in favor, the Board of Supervisors' Meeting for the Laurel Road Community Development District adjourned the meeting at 1:07 p.m.

Consumer's Certificate of Exemption

DR-14
R. 10/25

Issued Pursuant to Chapter 212, Florida Statutes

85-8018367937C-5	04/30/2026	04/30/2031	MUNICIPAL GOVERNMENT
Certificate Number	Effective Date	Expiration Date	Exemption Category

This certifies that

LAUREL ROAD COMMUNITY DEVELOPMENT
DISTRICT
3501 QUADRANGLE BLVD STE 270
ORLANDO FL 32817-8329

is exempt from the payment of Florida sales and use tax on transient rental property rented, tangible personal property purchased or rented, or services purchased.

Important Information for Exempt Organizations

DR-14
R. 10/25

1. You must provide all vendors and suppliers with an exemption certificate before making tax-exempt purchases. See Rule 12A-1.038, Florida Administrative Code (F.A.C.).
2. Your *Consumer's Certificate of Exemption* is to be used solely by your organization for your organization's customary nonprofit activities.
3. Purchases made by an individual on behalf of the organization are taxable, even if the individual will be reimbursed by the organization.
4. This exemption applies only to purchases made by your organization. The sale or lease to others of tangible personal property or sleeping accommodations is taxable. Your organization must register to collect and remit sales and use tax on such taxable transactions. **Note:** Churches are exempt from this requirement.
5. It is a criminal offense to fraudulently present this certificate to evade the payment of sales tax. Under no circumstances should this certificate be used for the personal benefit of any individual. Violators will be liable for payment of the sales tax plus a penalty of 200% of the tax, and may be subject to conviction of a third-degree felony. Any violation will require the revocation of this certificate.
6. If you have questions about your exemption certificate, please call Taxpayer Services at 850-488-6800. The mailing address is PO Box 6480, Tallahassee, FL 32314-6480. For a written reply to tax questions, email Taxpayer Services at fdortaxpayerservices@floridarevenue.com.

Laurel Road CDD Budget Item Descriptions FY 2026 – 2027

Revenues

On-Roll Assessments

The District can levy a Non-Ad Valorem assessment on all the assessable property within the District in order to pay for the operating expenditures during the Fiscal Year. Assessments collected via the tax collector are referred to as “On-Roll Assessments.”

Off-Roll Assessments

The District can levy a Non-Ad Valorem assessment on all the assessable property within the District in order to pay for the operating expenditures during the Fiscal Year. Assessments collected through direct billing are referred to as “Off-Roll Assessments.”

Other Income

Revenue from miscellaneous sources not otherwise classified.

General & Administrative Expenses

Supervisor Fees

Chapter 190 of the Florida Statutes allows for a member of the Board of Supervisors to be compensated for meeting attendance and to receive up to \$200.00 per meeting plus payroll taxes. The amount for the Fiscal Year is based upon all supervisors attending the meetings.

Public Officials’ Liability Insurance

Supervisors’ and Officers’ liability insurance.

Trustee Services

The Trustee submits invoices annually for services rendered on bond series. These fees are for maintaining the district trust accounts.

Management

The District receives Management and Administrative services as part of a Management Agreement with PFM Group Consulting, LLC. These services are further outlined in Exhibit “A” of the Management Agreement.

Field Management

The District receives Field Management services as part of a Management Agreement with PFM Group Consulting, LLC. These services are further outlined in Exhibit “A” Section “V” of the Management Agreement.

Laurel Road CDD Budget Item Descriptions FY 2026 – 2027

Engineering

The District's engineer provides general engineering services to the District. Among these services are attendance at and preparation for monthly board meetings, review of invoices, and all other engineering services as requested by the district throughout the year.

Disclosure

When bonds are issued for the District, the Bond Indenture requires continuing disclosure, which the District Management team provides to the trustee and bond holders.

District Counsel

The District's legal counsel provides general legal services to the District. Among these services are attendance at and preparation for monthly board meetings, review of operating and maintenance contracts, and all other legal services as requested by the District throughout the year.

Assessment Administration

The District can levy a Non-Ad Valorem assessment on all the assessable property within the District in order to pay for the operating expenditures during the Fiscal Year. It is typically collected via the Tax Collector. The District Manager submits an Assessment Roll to the Tax Collector annually by the deadline set by the Tax Collector or Property Appraiser.

Reamortization Schedules

When debt is paid on a bond series, a new amortization schedule must be recalculated. This can occur up to four times per year per bond issue.

Audit

Chapter 218 of the Florida Statutes requires a District to conduct an annual financial audit by an Independent Certified Public Accounting firm. Some exceptions apply.

Arbitrage

Annual computations are necessary to calculate arbitrage rebate liability to ensure the District's compliance with all tax regulations.

Tax Preparation

Annual fee to file Forms 1099 and 1096 with the Internal Revenue Service.

Travel and Per Diem

Travel to and from meetings as related to the District.

Telephone

Telephone and fax machine services as related to the District.

Laurel Road CDD Budget Item Descriptions FY 2026 – 2027

Postage & Shipping

Mail, overnight deliveries, correspondence, etc.

Legal Advertising

The District will incur expenditures related to legal advertising. The items for which the District will advertise include, but are not limited to, monthly meetings, special meetings, and public hearings for the District.

Miscellaneous

Other general & administrative expenses incurred throughout the year.

Office Supplies

General office supplies associated with the District.

Property Taxes

The costs associated with assessed property tax levies to the District.

Web Site Maintenance

The cost of hiring a third party vendor to manage the District's website and for the annual domain and URL registration renewals.

Holiday Decorations

The cost of decorations within the District for the holidays.

IT Services

The cost of Information Technology services as needed within the District.

Dues, Licenses and Fees

The District is required to pay an annual fee to the Department of Economic Opportunity.

Lifestyle & Maintenance Staff

The cost of hiring a third party contractor to operate the Amenity Center and manage Resident programming.

Resident Services

The cost to provide events and supplies for those events to the residents within the District.

Laurel Road CDD Budget Item Descriptions FY 2026 – 2027

Field Expenses (Inside the Gate; SF)

Electric

The District pays for the electricity related to District-serviced fixtures.

Water Reclaimed

Water used for irrigation.

Stormwater Management

Management of stormwater runoff.

Wetland Mitigation

The costs associated with actions taken to offset the impacts of unavoidable wetland losses.

Equipment Rental

Covers the costs of periodic equipment rentals to assist the maintenance staff in its duties of maintaining certain common facilities.

Gate Internet Service

Covers the costs of monthly service fees associated with keeping the gate's internet service running.

General Insurance

Insurance purchased to cover the general liability of the District.

Property & Casualty Insurance

Insurance purchased to protect property and cover casualty.

Other Insurance

Insurance purchased to protect areas not covered by General or Property & Casualty insurance coverage.

Irrigation - Repair and Maintenance

Inspection, repair, and maintenance of irrigation systems throughout the District.

Lake Maintenance

Maintenance of lakes owned by the District.

Lake Maintenance – Phase 2

Maintenance of lakes owned by the District in phase 2.

Laurel Road CDD Budget Item Descriptions FY 2026 – 2027

Landscaping Maintenance & Material

Contracted landscaping and Common Area Maintenance within the boundaries of the District.

Landscape Improvements

Improvements in landscape above and beyond what is already contracted for property owned by District.

Fertilizer / Pesticides

Costs associated with purchasing fertilizers and pesticides used in agriculture or other applications.

Contingency

Other field expenses incurred throughout the year.

Lake Bank Mowing

Mowing and grounds maintenance of lake banks and adjacent drainage areas.

Gate Maintenance

Costs associated with keeping District gates in good working order.

Mulch

Costs associated with purchasing and applying mulch to the District's landscaping to improve the appearance of the property and promote plant health.

Storm Cleanup

Costs associated with recovering from a storm event.

Storm Landscape Replacement

Costs associated with replacing District landscaping when damaged by a storm.

Security Monitoring

Costs associated with ongoing observation and analysis of network and system activity to detect and respond to potential security threats within the District.

Dog Waste Stations

Costs associated with purchasing, installing, and maintaining dog waste stations, as well as the cost of bags, liners, and cleaning materials..

Mailbox Maintenance

Costs associated with keeping mailboxes in good working order and appearance.

Laurel Road CDD Budget Item Descriptions FY 2026 – 2027

Capital Expenditures

Costs associated with acquiring or upgrading the District’s long-term assets, such as property, plant, and equipment (PP&E).

Street Sweeping

Covers the costs of periodic sweeping of District streets to improve aesthetics and to mitigate roadway dirt and debris from being washed into the District’s stormwater system and ponds.

Streetlights – Leasing

Costs associated with streetlight poles which are leased from the utility company.

Bike Share Maintenance

Costs associated with operating and maintaining the District’s bike share program which will initially include 25 bikes.

Golf Cart Maintenance

Costs associated with routine maintenance, battery-related expenses, and unexpected repairs to the District’s golf cart.

Laurel Rd. Monument Maintenance

Costs associated with routine maintenance for the Laurel Road monument.

Border Rd. Monument Maintenance

Costs associated with routine maintenance for the Border Road monument.

Field Expenses (Outside the Gate; MF)

Electric

The District pays for the electricity related to District-serviced fixtures.

Water Reclaimed

Water used for irrigation.

Equipment Rental

Covers the costs of periodic equipment rentals to assist the maintenance staff in its duties of maintaining certain common facilities.

Laurel Road CDD Budget Item Descriptions FY 2026 – 2027

General Insurance

Insurance purchased to cover the general liability of the District.

Property & Casualty Insurance

Insurance purchased to protect property and cover casualty.

Other Insurance

Insurance purchased to protect areas not covered by General or Property & Casualty insurance coverage.

Irrigation - Repair and Maintenance

Inspection, repair, and maintenance of irrigation systems throughout the District.

Lake Maintenance

Maintenance of lakes owned by the District.

Landscaping Maintenance & Material

Contracted landscaping and Common Area Maintenance within the boundaries of the District.

Landscape Improvements

Improvements in landscape above and beyond what is already contracted for property owned by District.

Fertilizer / Pesticides

Costs associated with purchasing fertilizers and pesticides used in agriculture or other applications.

Storm Cleanup

Costs associated with recovering from a storm event.

Storm Landscape Replacement

Costs associated with replacing District landscaping when damaged by a storm.

Capital Expenditures

Costs associated with acquiring or upgrading the District's long-term assets, such as property, plant, and equipment (PP&E).

Streetlights – Leasing

Costs associated with streetlight poles which are leased from the utility company.

Golf Cart Maintenance

Costs associated with routine maintenance, battery-related expenses, and unexpected repairs to the District's golf cart.

Laurel Road CDD Budget Item Descriptions FY 2026 – 2027

Laurel Rd. Monument Maintenance

Costs associated with routine maintenance for the Laurel Road monument.

Vistera – Amenity

Amenity – Electric

The District pays for the electricity related to Amenity-serviced fixtures.

Amenity – Water

The District pays for the water service related to Amenity-serviced fixtures.

Amenity - Telephone

Telephone and fax machine services as related to the District's Amenity.

Amenity – Cable TV / Internet / Wi-Fi

Cable TV, Internet, and wi-fi services as related to the District's Amenity.

Amenity – Landscape Maintenance

Contracted landscaping and Common Area Maintenance within the boundaries of the District's Amenity.

Amenity – Irrigation Repairs

Inspection and repair of irrigation system within the boundaries of the District's Amenity.

Amenity – Pool Maintenance

Cost of cleaning and maintaining the Amenity swimming pool.

Amenity – Pool Equipment

Cost of repairing or replacing any Amenity swimming pool equipment.

Amenity – Cleaning

Cost of cleaning the exterior and interior of the Amenity building.

Amenity – Pest Control

Cost of pest control services for the Amenity building.

Amenity – Fitness Equipment Leasing

Cost of leasing fitness equipment for the Amenity building.

Laurel Road CDD Budget Item Descriptions FY 2026 – 2027

Amenity – Fire/Security Monitoring

Cost of security services for the Amenity building.

Amenity – Office Equipment Leasing

Costs associated with renting or leasing Amenity office equipment, including lease payments, maintenance, and any potential upgrade or replacement costs.

Amenity – Capital Outlay

Costs associated with acquiring or improving Amenity capital assets, such as equipment, buildings, or land

Amenity – Miscellaneous

Costs associated with miscellaneous Amenity expenses incurred throughout the year.

Amenity – A/C Maintenance and Equipment

Costs related to keeping the Amenity air conditioning system running efficiently and reliably.

Amenity – Gas

Costs related to Amenity gas usage.

Amenity – Access Control Maintenance

Cost associated with keeping the Amenity access control system operational.

Amenity – Operations

Cost associated with general Amenity operations as needed.

Amenity – Fireplaces and Barbecue

Costs associated with the Amenity fireplace or barbecue grill, installation costs, materials, and any necessary permits or gas line adjustments.

Other Revenues (Expenses) & Gains (Losses)

Interest Income

Income from interest earnings.

Appointment of Auditor Selection Committee

Laurel Road Community Development District

Consideration of Series 2026 Bonds Documents:

- 1. Resolution 2026-06, Special Assessment Resolution**
- 2. Final Pricing Numbers (June 24, 2026)**

RESOLUTION 2026-06

A RESOLUTION SETTING FORTH THE TERMS OF THE DISTRICT’S SPECIAL ASSESSMENT BONDS, SERIES 2026; CONFIRMING DISTRICT PROJECTS FOR CONSTRUCTION AND/OR ACQUISITION OF INFRASTRUCTURE IMPROVEMENTS; CONFIRMING AND LEVYING SPECIAL ASSESSMENTS ON THE PROPERTY SPECIFICALLY BENEFITTED BY SUCH PROJECTS TO PAY THE COST OF THE IMPROVEMENTS THEREON; CONFIRMING THE ADOPTION OF THE SUPPLEMENTAL ENGINEER’S REPORT; CONFIRMING THE ADOPTION OF THE SUPPLEMENTAL ASSESSMENT METHODOLOGY REPORT; CONFIRMING, ALLOCATING AND AUTHORIZING THE COLLECTION OF SPECIAL ASSESSMENTS SECURING THE SERIES 2026 BONDS; PROVIDING FOR THE REALLOCATION OF SPECIAL ASSESSMENTS AND APPLICATION OF PREPAYMENTS; PROVIDING FOR THE SUPPLEMENTATION OF THE IMPROVEMENT LIEN BOOK; PROVIDING FOR THE RECORDING OF NOTICE OF SERIES 2026 SPECIAL ASSESSMENTS LIENS; PROVIDING FOR CONFLICTS, SEVERABILITY AND AN EFFECTIVE DATE

WHEREAS, the Laurel Road Community Development District (“District”) has previously indicated its intention to undertake, install, establish, construct, or acquire certain public improvements and to finance such public improvements through the imposition of special assessments on benefited property within the District and the issuance of bonds; and

WHEREAS, the District’s Board of Supervisors (“Board”) has previously adopted, after notice and public hearing, Resolutions 2022-04, 2022-05 and 2022-06, relating to the imposition, levy, collection, and enforcement of such special assessments; and

WHEREAS, pursuant to and consistent with the terms of Resolution 2022-06 and Chapter 170, Florida Statutes, this Resolution shall set forth the terms of bonds actually issued by the District, and apply the adopted special assessment methodology to the actual scope of the project to be completed with a series of bonds and the terms of the bond issue; and

WHEREAS, the District entered into a Bond Purchase Contract on June 4, 2026, as further evidenced by its Bond Award Delegation Resolution 2026-05, adopted on May 13, 2026, whereby it agrees to sell not exceeding \$6,000,000 principal amount of its Series 2026 Special Assessment Bonds, the (“Series 2026 Bonds”); and

WHEREAS, on June 10, 2026, the District did formally approve, ratify, and adopt that certain Laurel Road Community Development District Supplemental Report of District Engineer dated June 2, 2026, (the “Supplemental Engineer’s Report”), the same of which is attached hereto as Exhibit “A,” and incorporated herein; and

WHEREAS, on June 10, 2026, the District did formally approve, ratify, and adopt that certain Supplemental Assessment Methodology Report Series 2026 Bonds, Laurel Road Community Development District, dated June 2026, (the “Supplemental Assessment Report”), the same of which is attached hereto as Exhibit “B,” and incorporated herein; and

WHEREAS, the Supplemental Engineer’s Report and Supplemental Assessment Report both provide for the specific improvements and specific special assessments relating to the Series 2026 Bonds; and the District does hereby approve, adopt, ratify, and confirm same.

NOW THEREFORE, BE IT RESOLVED BY THE BOARD OF SUPERVISORS OF THE LAUREL ROAD COMMUNITY DEVELOPMENT DISTRICT AS FOLLOWS:

SECTION 1. AUTHORITY FOR THIS RESOLUTION. This Resolution is adopted pursuant to the provisions of Florida law, including Chapters 170, 190 and 197, Florida Statutes, and Resolution 2022-06.

SECTION 2. FINDINGS. The Board of Supervisors of the Laurel Road Community Development District hereby finds and determines as follows:

- (a) After due notice and public hearing, the District previously adopted Resolutions 2022-

04, 2022-05 and 2022-06, respectively, (the “Assessment Resolutions”), which Assessment Resolutions, among other things, imposed, levied, and provided for the collection of special assessments on property benefiting from the improvements authorized by the District. The Assessment Resolutions provided that as each series of bonds were issued to fund all or any portion of the District’s improvements, a supplemental resolution would be adopted to set forth the specific terms of the bonds and certifying the amount of the lien of the special assessments securing any portion of the bonds, including interest, costs of issuance, the number of payments due.

(b) The Supplemental Engineer’s Report identifies and describes the presently expected components of the improvements to be partially financed with the Series 2026 Bonds (the “2026 Improvements”), and the estimated costs of the 2026 Improvements. The District hereby confirms that the 2026 Improvements serve a proper, essential, and valid public purpose. The Supplemental Engineer’s Report, attached hereto as Exhibit “A,” is hereby adopted, approved, ratified, and confirmed; and the District ratifies its use in connection with the sale of the Series 2026 Bonds.

(c) The Supplemental Assessment Report applies the adopted Assessment Methodology as set forth in Resolution 2022-06 to the 2026 Improvements and the actual terms of the Series 2026 Bonds. The Supplemental Assessment Report, attached hereto as Exhibit “B,” is hereby adopted, approved, ratified, and confirmed; and the District ratifies its use in connection with the sale of the Series 2026 Bonds.

(d) The 2026 Improvements will specially benefit certain property, the legal description of which is attached to the Supplemental Assessment Report, and is further attached hereto as **Exhibit “C,”** and incorporated herein, (the “District Lands”). The District Lands are further

described as: All lots and lands adjoining and contiguous or bounding and abutting the 2026 Improvements or specially benefitted thereby and further designated by the assessment plat, as hereinafter provided in the Supplemental Engineer's Report. The Series 2026 Assessments shall be levied on the District Lands. It is reasonable, proper, just, and right to assess the portion of the costs of the 2026 Improvements financed with the Series 2026 Bonds to the specially benefitted properties within the District as set forth in Resolution 2022-06 and this Resolution 2026-06.

SECTION 3. CONFIRMATION OF ASSESSMENT LIEN FOR THE SERIES 2026 BONDS. As provided in Resolution 2022-06 and herein, this Resolution is intended to set forth the terms of the final amount of the lien of the special assessments securing those bonds.

The lien of the special assessments securing the Series 2026 Bonds on the respective District Lands shall be the principal amount due on the respective Series 2026 Bonds, together with accrued but unpaid interest thereon, and together with the amount by which annual assessments are grossed up to include early payment discounts required by law and costs of collection.

SECTION 4. ALLOCATION OF ASSESSMENTS SECURING THE SERIES 2026 BONDS.

(a) The special assessments for the Series 2026 Bonds shall be allocated in accordance with the Supplemental Assessment Report. The Supplemental Assessment Report, considered herein, reflects the actual terms of the issuance of the District's Series 2026 Bonds. The estimated costs of collection of the special assessments for the Series 2026 Bonds are as set forth in the Supplemental Assessment Report, which report may be further amended from time to time.

(b) The lien of the special assessments securing the Series 2026 Bonds includes all property within the District Lands, and as such land is ultimately defined and set forth in plats or other designations of developable acreage. To the extent land is added to the District, the District may, by supplemental resolution, determine such land to be benefited by the Series 2026 Improvements and reallocate the special assessments securing the Series 2026 Bonds and impose special assessments on the newly added and benefited property.

(c) The District hereby certifies the special assessments for collection and directs staff to take all actions necessary to meet the time and other deadlines imposed by Sarasota County and Florida law for collection. The District intends, to the extent possible and subject to entering into the appropriate agreements with the Sarasota County Tax Collector and Sarasota County Property Appraiser, to collect the Series 2026 Bond special assessments on platted or developed lands using the Uniform Method in Chapter 197, Florida Statutes. The District may, to the extent possible, directly bill, collect, and enforce the Series 2026 Bond special assessments on unplatted lands. The District Manager shall prepare or cause to be prepared each year a tax roll for purposes of effecting the collection of the special assessments and present same to the District Board as required by law. The District Manager is further directed and authorized to take all actions necessary to collect any prepayments of debt as and when due and to collect special assessments on unplatted property using any method available to the District and authorized by Florida law.

SECTION 5. IMPROVEMENT LIEN BOOK. Immediately following the adoption of this Resolution, these special assessments as reflected herein, and specifically in the Supplemental Assessment Report shall be recorded by the Secretary of the Board of the District in the District's Improvement Lien Book, and to the extent same have already been recorded in

the District's Improvement Lien Book pursuant to Resolution 2022-06, shall be further ratified, and confirmed. The special assessment or assessments against each respective parcel shall be and shall remain a legal, valid, and binding first lien on such parcel until paid and such lien shall be coequal with the lien of all state, county, district, municipal or other governmental taxes and superior in dignity to all other liens, titles, and claims. This Resolution and the Special Assessments set forth herein are intended to supplement those special assessments set forth in Resolution 2022-06, which assessments set forth therein shall remain legal, valid, and binding first liens on the lands within the District, specifically the District Lands.

SECTION 6. OTHER PROVISIONS REMAIN IN EFFECT. This Resolution is intended to supplement Resolution 2022-06, which Resolution remains in full force and effect. This Resolution and Resolution 2022-06 shall be construed to the maximum extent possible to give full force and effect to the provisions of each resolution. All District resolutions or parts thereof relating to the District Lands in actual conflict with this Resolution are, to the extent of such conflict, superseded.

SECTION 7. ASSESSMENT NOTICE. The District's Secretary is hereby directed and ordered to record a Notice of Series 2026 Special Assessments Liens securing the Series 2026 Bonds and liens in the Official Records in and for Sarasota County, Florida, or such other instrument evidencing the actions taken by the District.

SECTION 8. SEVERABILITY. If any section or part of a section of this Resolution be declared invalid or unconstitutional, the validity, force and effect of any other section or part of a section of this Resolution shall not thereby be affected or impaired unless it clearly appears that such other section or part of a section of this Resolution is wholly or necessarily dependent upon the section or part of a section so held to be invalid or unconstitutional.

SECTION 9. EFFECTIVE DATE. This Resolution shall become effective upon its adoption.

PASSED AND ADOPTED in Public Session of the Board of Supervisors of the Laurel Road Community Development District, this 10th day of June 2026.

1.0 INTRODUCTION

Vistera (the “Development”) encompasses approximately 299 acres and is planned to include approximately 581 residential units, 665 apartment units and up to 360 units for the assisted living facility as well as 15 ac of medical office and/or house of worship situated in three (3) parcels. The Laurel Road Community Development District’s (the “District”) boundaries are coterminous with the boundaries of the Development. The District Engineer’s Report (amended and restated) dated July 1, 2021 describes the scope and estimated cost of the District’s entire capital improvement program (the “CIP”) serving the entire District which is estimated to cost approximately \$47.85 million and includes roadways, drainage, water and waste water, reclaimed/irrigation distribution, clearing and earthwork, landscaping, parks, recreation and community facility, entry features and signs, offsite roadway improvements, offsite utility improvements, contingency and professional fees

As previously mentioned, the Development is planned for approximately 581 residential units, 665 apartment units and up to 360 units for assisted living facility as well as 15 ac of medical office and/or house of worship situated in three (3) parcels. The apartment parcel is situated in the northeastern corner of the District along Laurel Road and is fully constructed consisting of 665 apartment units. The assisted living parcel is located in the northwestern corner of the District across the apartment parcel and is planned for up to 360 assisted living units. The remaining residential parcel is located within the southern portion of the District and is planned for 581 residential units to be developed in two (2) phases.

Of the planned development, 391 residential units (with associated amenity site) and 665 apartments are constructed. The constructed units are within the Phase 1 area as defined in this report.

The capital improvements described in the CIP will be constructed in multiple phases over time. This Supplemental Engineer’s Report (the “Report”) has been prepared to assist with the financing and construction of the infrastructure components of the second Phase of the CIP which is estimated to cost \$10.96 million and includes the costs allocable to the second phase of the Development (the "Series 2026 Project") and includes certain master infrastructure improvements and neighborhood infrastructure costs allocable to Phase 2 of the residential parcel in the Development planned for 190 residential units.

The land within Phase 2 of the residential parcel of the Development consists of 41.87 acres and is planned for 190 residential units. A depiction of the Phase 2 lands and the overall land area discussed in this Report is included in Exhibit 1. In summary, the primary purpose of this Report is to provide the details of the proposed infrastructure costs that qualify to be funded by the District for the completion of the 190 residential units planned Phase 2 of the Development and distinguish the costs to be funded with proceeds of the Series 2026A Bonds. The private component of the development costs are funded by the Developer (“Private Costs”).

Costs contained in this Report are prepared based on actual construction costs where available and on estimates of costs using the best available information. It is possible that the estimated costs could vary based on final engineering and ultimate construction bids.

2.0 LAND USE

The Development is part of a 299-acre tract that received zoning approval from the City of Venice as a planned unit development (the “Laurel Road PUD”). The Laurel Road PUD originally provided for the development of up to 1,300 residential units with a maximum of five percent (5%) (or approximately fifteen (15) acres) of the Development reserved for proposed medical office or house of worship uses. The Laurel Road PUD was amended on March 10, 2026 to increase the density to 1,607 maximum dwelling units, with 360 of the units to the approximately 17 acre parcel designated for assisted living facilities.

Phase 1 of the residential parcel of the Development consisting of 78.24 acres comprises 391 platted residential units consisting of 269 single-family units and 122 paired villas as detailed in Exhibit 2. Construction of Phase 1 is complete. Phase 2 of the residential parcel of the Development consists of 41.87 acres and is planned for 190 residential units, which are also detailed in Exhibit 2. Land Uses within the Development are planned to include the following approximate areas:

Ph 1 Residential (Single-Family, Paired Villas and Amenity Center)	78.238 acres
Ph 2 Residential (Single-Family)	41.872 acres
Open Space	49.390 acres
Outparcels	48.420 acres
Wetland Preservation	23.140 acres
Wetland Creation	8.450 acres
Lakes	49.226 acres
Buffers	0.550 acres
Total Acres:	299.286 acres

3.0 PERMITTING

The Development will be under the jurisdiction and review of City of Venice, Sarasota County (wastewater Phase 1 only), Southwest Florida Water Management District (SWFWMD), Army Corps of Engineers (USACE), and the Florida Department of Environmental Protection (FDEP). A permit for U.S. Army Corps of Engineers for wetland mitigation is not required for this Development.

At the time of this Report, the following permits have been obtained for Phase 2 of the Development as follows:

Permit	Permit Number	Date Approved
COV - Preliminary Plat – Phase 2	No. 25-18PP	08/19/2025
SWFWMD – Phase 2 ERP Modification	43044320.005	05/16/2025
COV Construction Permit – Phase 2	ENCP25-00259	03/05/2026
FDEP Wastewater Permit	CS58-471542	06/02/2026
FDOH Water Permit	0124807-253-DSGP	05/08/2026

Permits have been obtained to commence Phase 2 construction. The construction activities for Phase 2 of the residential parcel within the Development, consisting of 190 lots has commenced. It is currently anticipated that Phase 2 infrastructure construction will be complete end of Q1 of 2027. It is anticipated that the final plat for Phase 2 of the residential parcel within the Development will be recorded by end of Q4 of 2026.

4.0 PROPOSED INFRASTRUCTURE FOR THE DISTRICT’S SERIES 2026 PROJECT

The District presently intends to acquire, construct or equip certain public infrastructure improvements necessary for the development of the District. As previously mentioned, the Series 2026 Project includes certain master infrastructure improvements and neighborhood infrastructure costs allocable to Phase 2 of the residential parcel in the Development planned for 190 residential units and is estimated to cost \$10.96 million. Enumeration of the estimated costs of the Series 2026 Project are provided in Exhibit 3.

A. ROADWAYS

1) District Funded Offsite Roadways:

The Transportation Impact Analysis required by the City of Venice requires certain off-site roadway improvements to be completed as a condition of development of the Community. These improvements include turn lanes on both Laurel Rd and Border Rd. The District has funded these offsite improvements and they are complete.

2) District Funded Internal Roadways:

The design of roadways within the District will comply with the City of Venice's code requirements. Based on the current plan of development, the District will fund and construct undivided 2-lane roads providing access to the residential units and amenities. When completed, the District will own, operate and/or maintain the roadways within the District. The Phase 1 roadways are complete and the Phase 2 roadways are currently under construction.

B. UTILITIES

The District will fund and construct the potable water distribution system, the wastewater collection and transmission system, the reclaimed water distribution systems, and the irrigation water systems.

1) Potable Water and Reclaimed

The District is within the City of Venice Service Area for the provision of potable water and reclaimed water. When these utilities are completed by the district, the City of Venice will then own, operate and maintain the public potable water distribution system and reclaimed water distribution systems. The Phase 1 system is complete and the Phase 2 system is currently under construction.

2) Sewer

The site sewer is provided by two entities. The City of Venice provides sewer service to the western portion of the property and Sarasota County, via the Curry Creek service area, provides service to the eastern portion of the property. Exhibit E of the Engineer's Report, dated July 1, 2021, shows the sewer service areas. When these utilities are completed each sewer service utility provider will operate and maintain their respective systems. For the Series 2026 Project, the infrastructure for the eastern Sarasota County system was constructed and placed into service. The forcemain connection to the existing City of Venice collection forcemain in Laurel Rd was also constructed; however, for the Phase 1 project it was a dry line that will only become active when the Phase 2 lift station and forcemain connect to it. It runs along Visterra Blvd and stubs out to the west for future connection to the Phase 2 lift station. Since the connection to the City's existing system is placed within the Visterra BLVD ROW, the line must be completed before Visterra Blvd is completed. The phase 2 portion of the wastewater system is currently under construction and includes gravity collection, lift station and forcemain to the Visterra Blvd connection point.

C. STORMWATER MANAGEMENT SYSTEM

The City of Venice and the Southwest Florida Water Management District ("SWFWMD") regulate the design criteria for the stormwater management system within the District. The stormwater runoff from the District area drains to both Roberts Bay and Dona Bay. The pre-development site runoff and water management criteria have been established by The City of Venice and SWFWMD.

The stormwater management system for the District focuses on utilizing newly constructed ponds in the uplands for stormwater treatment in conjunction with the naturally occurring wetlands.

The primary objectives of the stormwater management system for the District are:

- 1) To provide a stormwater conveyance and storage system, which includes stormwater quality treatment.
- 2) To adequately protect development within the District from regulatory-defined rainfall events.
- 3) To maintain wetland hydroperiods.

- 4) To ensure that adverse stormwater impacts do not occur upstream or downstream as a result of the Development.
- 5) To satisfactorily accommodate stormwater runoff from adjacent off-site areas that naturally drains through the District. Accommodating existing drainage conditions are a requirement of more than one regulatory agency and are an integral part of the infrastructure improvements constructed with development projects.
- 6) To preserve the function of the floodplain storage during the 100-year storm event.

The stormwater management system provides a system for the District that optimizes the drainage, collection, treatment and attenuation of stormwater runoff.

The District will fund, construct, acquire, operate and/or maintain the stormwater management system.

The stormwater collection and outfall systems will be a combination of site grading, earthwork, and stabilization, curb inlets, pipe culverts, control structures, open waterways and wetland conservation areas. Wetland hydroperiods (normal pool and season high water elevations) will be maintained through proper design and maintenance of the outfall control structures.

D. LANDSCAPE AND HARDSCAPE

Internal roads and some parks and open space will be irrigated and landscaped. Walls, berms or fencing with or without landscaping will provide buffering in accordance with the City of Venice regulatory requirements. The District will fund and construct the landscaping along the roads, the open space or park areas, retaining walls, buffer walls, fencing and landscape buffers within the District's boundary. The District will be responsible for operation and maintenance of these items.

Master development and village signage and monumentation will also be funded and constructed by the District and maintained by the District.

E. RECREATIONAL FACILITIES

The District will fund and construct the amenity center within the Development, including certain recreational facilities and other passive recreational features. The recreational components will generally be within District open space, parks and other public areas. The District will operate and maintain the recreational facilities. The amenity center was constructed as part of Phase 1 and is currently complete.

F. PROFESSIONAL SERVICES

Professional fees include civil engineering costs for master planning, site design, permitting, preparation of construction plans, inspection and survey costs for construction staking, preparation of record drawings and preparation of preliminary and final plats.

Professional fees also may include geotechnical costs for pre-design soil borings, underdrain analysis, soil stabilization, and construction testing, architectural costs for landscaping, fees associated with transportation planning and design, environmental consultation, irrigation system design and fees for permitting, as well as costs for legal and engineering services associated with the administration of the District's CIP.

G. CONTINGENCY

This category includes the cost for adjustments as a result of unexpected field conditions, additional requirements of governmental agencies, market conditions, and other unknown factors that may occur throughout the course of

development and construction of the infrastructure. In general, the contingency amount is based on a percentage of the total infrastructure cost estimate.

As mentioned, a portion of these improvements will be funded by the Developer and then purchased by the District. The construction and maintenance of the proposed improvements are necessary and will benefit the property. A more specific description of these items is provided in Exhibit 4.

5.0 PROPOSED PRIVATE COST FOR SERIES 2026 PROJECT

The total infrastructure budget for the District is estimated to cost \$11.5 million and consists of the following (i) the District's CIP representing \$10.9 million and (ii) the private component at \$0.6 million which consists primarily of onsite street and entry lighting/electrical and certain clearing and earthwork/BMPs, as summarized in Exhibit 5(the "Private Costs").

The underground electrical system will be privately funded. FP&L will own, operate and maintain the underground electrical system. The Series 2026 Project shall include on-site street and entry lighting at each entry to the development (Laurel Rd and Border Rd) as well as the street lighting along the internal streets servicing the development.

6.0 SUMMARY AND CONCLUSION

The Series 2026 Project is necessary for the functional development of the District as required for an applicable independent unit of local governments and will benefit the District and its residents. In addition, the Developer is obligated to fund and construct the Private Costs summarized in Exhibit 5 herein in order to deliver the development plan for the project. The planning and design of the infrastructure is in accordance with current governmental regulatory requirements and will provide its intended function so long as the construction is in substantial compliance with the design and applicable permits.

It is our professional opinion that the infrastructure costs provided herein for the Series 2026 Project are reasonable to complete the construction of the infrastructure described herein and that these infrastructure improvements will benefit and add value to the District. All such infrastructure costs are public improvements or community facilities as set forth in Sections 190.012(1) and (2) of the Florida Statutes.

It is our professional opinion that the infrastructure costs provided herein for the Private Costs are reasonable to complete the construction of the infrastructure described herein and that these infrastructure improvements will benefit and add value to the District.

The estimate of infrastructure construction costs is only an engineer's opinion and not a guaranteed maximum price. The estimated costs are based on unit prices currently being experienced for ongoing and similar items of work in Sarasota County and quantities as represented on the current construction plans and concept plans for future phases. The labor market, future costs of equipment and materials, and the actual construction process are all beyond our control. Due to this inherent opportunity for fluctuation in cost, the total final cost may be more or less than this estimate.

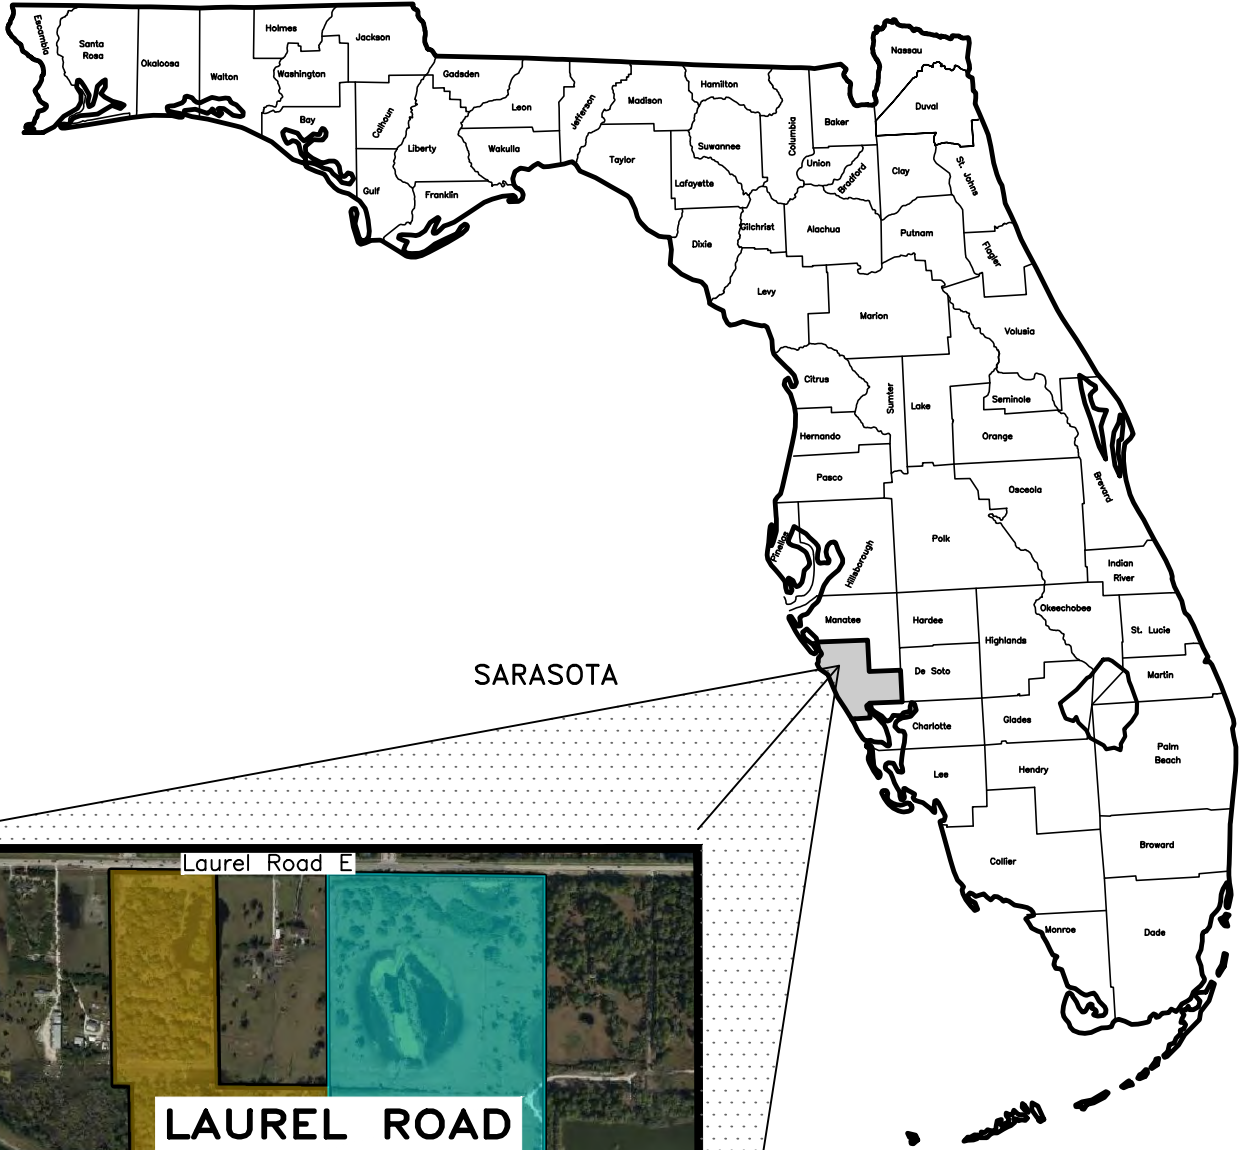

Assuming project construction continues in a timely manner, it is our opinion that the proposed improvements, if constructed and built in substantial accordance with the approved plans and specifications, can be completed and meet their intended functions. Where necessary, historical costs, information from other professional or utility consultants and contractors have been used in preparation of this report. Consultants and contractors who have contributed in providing cost data included in the report are reputable entities in the Sarasota County area. It is therefore our opinion that the construction of the proposed project can be completed at the cost stated.

The District and/or Developer has met the requirements of the Laurel Road PUD and other regulatory permits to date and there are no unusual or restrictive provisions of the documents of all the applicable regulatory agencies that, in the opinion of the District Engineer, cannot be met in the ordinary course of constructing and delivering capital improvements described herein.

Note:

1. Construction costs do not include cost of financing. Estimated costs are for the powers permitted under Section 190.012(1), Florida Statutes, as amended, and the additional powers requested in the Petition under Sections 190.012(2)(a) and (2)(d), Florida Statutes. This good faith estimate of costs and timetable of construction is provided pursuant to Section 190.005(a) and (1)(a) 6. Florida Statutes, and is subject to future changes in construction costs and timing based on engineering design and permitting.

ENGINEER'S CERTIFICATION: This is to certify that construction costs represents a good faith estimation for the Laurel Road Community Development District current plan of improvement.

EXHIBIT 4

LAUREL ROAD COMMUNITY DEVELOPMENT DISTRICT OWNERSHIP AND MAINTENANCE

Maintenance and operational responsibilities of the Project will include the following:

1. Maintenance and operation of the off-site roadway improvements will be the responsibility of Sarasota County.
2. Maintenance of the District owned on-site roadways (including lighting, signage and furnishings) will be the responsibility of the District.
3. Maintenance and operation of the potable water and reclaimed water systems will be the responsibility of the City of Venice.
4. Maintenance and operation of the irrigation system associated with the roadway system will be the responsibility of the District.
5. Maintenance and operation of the Phase 1 (east property) sanitary sewer system will be the responsibility of Sarasota County.
6. Maintenance and operation of the Phase 2 (west property) sanitary sewer system will be the responsibility of the City of Venice.
7. Maintenance and operation of the stormwater management system will be the responsibility of the District.

SUPPLEMENTAL ASSESSMENT METHODOLOGY, SERIES 2026 BONDS LAUREL ROAD COMMUNITY DEVELOPMENT DISTRICT

June 4, 2026

1.0 Introduction

1.1 Purpose

This Supplemental Assessment Methodology Report, Series 2026 Bonds (“Supplemental Report”) provided a methodology for allocating the assessments securing the repayment of the planned Series 2026 Capital Improvement Revenue Bonds, (the “Series 2026 Bonds”) to be issued by Laurel Road Community Development District (the, “District”). This Supplemental Report applies and operates pursuant to the methodology outlined in the Amended and Restated Master Assessment Methodology dated July 14, 2021 (“Methodology”), which effectively amended and restated the District’s “Master Assessment Methodology,” dated December 21, 2020 (“Adopted Methodology”).

The District consisting of 299.286 gross acres is currently planned to be developed in multiple phases ultimately providing infrastructure supporting the development of approximately 581 residential units. The Series 2026 Project (“Series 2026 Project”), as outlined in Exhibit 3 of the Engineer’s Report, consists of certain master infrastructure improvements and neighborhood infrastructure costs allocable to Phase 2 of the residential parcel in the Development planned for 190 residential units and is estimated to cost \$10.96 million. The assessable properties located within the District receive special benefit from the Series 2026 Project. The District will issue the Series 2026 Bonds to finance a portion of the Series 2026 Project in the amount of \$5.74 million. The Series 2026 Bonds and associated assessments (“Series 2026 Assessments”) will provide for the construction or acquisition of assessable improvements to certain properties located within the District’s Phase 2. The methodology described herein allocates the cost of the Series 2026 Project to certain properties within the District, based upon the benefits those properties receive from those improvements.

This Methodology is designed to conform to the requirements of Chapters 170, 190, and 197 of the Florida Statutes with respect to special assessments and is consistent with our understanding of the case law on this subject.

1.2 Background

The District was created on April 28, 2020. The District encompasses approximately 299.286 acres in Sarasota County. The Laurel Road Community Development District Report of District Engineer, dated December 21, 2020 as same was later amended and restated on July 1, 2021 and the Laurel Road Community Development District Supplemental Report of District Engineer, dated May 11, 2026 (collectively, the “Engineer’s Report”)¹ as provided by AM Engineering, LLC (“District Engineer”) provides a description of the area and a location map.

This Supplemental Report provides a methodology to allocate the debt over the approximately 49.238 acres in the District associated with the Phase 2 lands (“Series 2026 Assessment Area”), that will receive a special benefit from the installation of the proposed District’s Series 2026 Project. It is the District’s debt-funded capital infrastructure improvements that will allow the development of the lands within the District. By making development of the lands within the District possible, the District creates benefits to the lands within the District.

The methodology described herein allocates the District’s debt to the District’s lands based upon the benefits received from the infrastructure program. This report is designed to conform to the requirements of Chapter 170, F.S. with respect to special assessments and is consistent with our understanding of the case law on this subject.²

1.3 Projected Land Use Plan for the District’s Phase 2

The methodology described herein initially allocates the District’s debt over the gross acreage in the District’s Series 2026 Assessment Area on an equal acreage basis. As such acreage is sold with entitlements transferred thereto or is developed and platted, the Series 2026 Assessments are allocated on a per lot basis.

The Series 2026 Assessments levied in connection with the Series 2026 Bonds (the “Series 2026 Assessments”) will initially be allocated over the District’s Series 2026 Assessment Area. The Series 2026 Assessments will then be allocated on a per lot basis upon sale of property with specific entitlements transferred thereon or platting of the units within Phase 2 of the residential parcel in the Development planned for 190 residential lots. Based on the sizing of the Series 2026 Bonds, it is anticipated the Series 2026 Assessments levied in connection with the Series 2026 Bonds will be allocated to the Series 2026 Assessment Area and ultimately to the assessable units within Phase 2 of the District as illustrated in Tables 4 and 5 herein which is planned for 190 residential units.

This report is designed to conform to the requirements of Chapter 170, F.S. with respect to special assessments and is consistent with our understanding of the case law on this subject. This Supplemental Report addresses the allocation of the costs of the Series 2026 Project to these developable properties located within the District that receive a special benefit from the Series 2026 Project. Table 1 identifies the property and planned unit types within the District that are ultimately anticipated to be subject to the Series 2026 Assessments.

1.5 Requirements of a Valid Assessment Methodology

In PFM Financial Advisors LLC, the Assessment Consultant's ("PFM" and/or "AC") experience, there are two primary requirements for special assessments to be valid under Florida law. First, the properties assessed must receive a special benefit from the improvements paid for via the assessments. Second, the assessments must be fairly and reasonably allocated to the properties being assessed. If these two characteristics of valid special assessments are adhered to, Florida law provides some latitude to legislative bodies, such as the District's Board of Supervisors, in approving special assessments. Indeed, Florida courts have found that the mathematical perfection of calculating special benefit is impossible, and, accordingly, a special assessment is valid as long as there is a logical relationship between the services provided and the benefit to real property. A court must give deference to the District's determinations regarding the levy of special assessments, and such special assessments are only invalid if the District's determinations are found to be arbitrary.

1.6 Special Benefits and General Benefits

Improvements undertaken by the District create both special benefits and general benefits to property owners located within and surrounding the District. However, in our opinion, the general benefits to the public at large are incidental in nature and are readily distinguishable from the special benefits which accrue to property located within the District. It is the District's CIP that enables properties within the District's boundaries to be developed. Without the District's CIP there would be no infrastructure to support development of land within the District. Without these improvements, development of property in the District would not be permitted.

The new infrastructure improvements included in the CIP create both: (1) special benefits to the developable property within the District and (2) general benefits to properties outside the District. However, as discussed below, these general benefits are incidental in nature and are readily distinguishable from the special benefits which accrue to the developable property within the District. The CIP described in the District Engineer's Report enables the developable property within the District to be developed. Without the CIP, there would be no infrastructure to support development of the developable property within the District.

2.0 CIP Plan of Finance

The District's Series 2026 Bonds will have a maximum total par value of \$5,740,000. Table 3 presents the details for the Series 2026 Bonds.

Table 3. Details of the Series 2026 Bonds

Term	30
Maximum Net Annual Debt Service	\$394,845
Maximum Gross Annual Debt Service	\$417,825

Source: MBS Capital Markets LLC

3.0 Assessment Methodology

3.1 Assessment Foundation

The assessment methodology consists of five steps described below. First, the District Engineer estimates the costs for the District improvements needed for the buildout of the District. Second, the District Engineer determines the gross acres that benefit from the Series 2026 Project. Third, the District's bond underwriter and AC determine the total funding amount (including financing costs) needed to acquire and/or construct a portion of the Series 2026 Project. Fourth, consistent with the Master Report, this amount is initially divided equally among the Series 2026 Assessment Area on a gross assessable acreage basis. Finally, as land is sold with entitlements or platted, the debt is allocated on a per lot basis on the assessable lands within the District.

As described more fully below, the District is issuing \$5,740,000 in Series 2026 Bonds to fund a portion of the Phase 2 Project to provide for a debt service reserve account, to capitalize a portion of the interest on the Series 2026 Bonds, and to fund other costs associated with issuing the Series 2026 Bonds. It is the debt represented by the Series 2026 Bonds that is anticipated to be fully allocated to properties within the District that benefit from the Series 2026 Project.

3.2 Allocation of Specific Assessments

The assessment methodology allocates debt to specific properties in the District based upon the benefit that each one receives from the Series 2026 Project funded by proceeds of the Series 2026 Bonds. The improvements proposed for Series 2026 Project in the District to be acquired and/or constructed with District funds will benefit all acres in the District. Each of the acres of land within the District's Series 2026 Assessment Area will initially share equally in the benefits/costs bestowed by such improvements and upon sale with entitlements transferred thereto or property is developed and platted the special assessments securing the Series 2026 Bonds will be allocated on a per lot basis, as illustrated in Table 4 and Table 5.

More specifically, the Series 2026 Assessments levied in connection with the Series 2026 Bonds will initially be levied on an equal acreage basis over all acreage within the District's Series 2026 Assessment Area and then be allocated on a per unit basis as illustrated in Tables 4 and 5 upon the sale of property with specific entitlements transferred thereto or platting within Phase 2 of the residential parcel in the District planned for 190 residential lots. The Series 2026 Bonds were sized to correspond to the collection of Series 2026 Assessments from all 190 residential units planned for Phase 2 of the residential parcel in the District. The Series 2026 Assessments are expected to be paid annually over a thirty (30) year period.

As noted above, if two basic principles are adhered to, Florida law generally allows the District Board some latitude in determining the appropriate methodology to allocate the costs of its CIP to benefiting properties in the District. The two principles are: (1) the properties being assessed must receive a special benefit from the CIP and (2) the assessments allocated to each property must be fairly and reasonably apportioned among the benefiting properties.

In allocating special assessments to benefiting property, Florida governments have used a variety of methods including, but not limited to, front footage, area, trip rates, equivalent residential units (“ERU”), dwelling units, and acreage. These ERU values equate the benefit received by a stated amount of such land use category to the benefit received by a typical single-family residence. As adopted by the District’s Board of Supervisors in the Master Report, the use of ERU values to estimate the benefit derived from infrastructure improvements is recognized as a simple, fair, and reasonable method for apportioning benefit. The Florida Supreme Court concluded that the ERU method was a valid methodology in its decision in *Winter Springs v. State*.³ In addition, the ERU methodology is widely used in other similar CDDs.

Table 4 contains the allocation of the District’s Series 2026 Project costs, as financed, to the units planned for Phase 2 of the District which is anticipated to fully absorb the Series 2026 Assessments. Table 5 shows the annual bond debt service assessments associated with the bond par allocations found in Table 4. Table 5 becomes important as the land within the District’s is platted, as specific bond debt service assessments will be assigned to the individual units at that time.

Table 4. Phase 2 - Allocation of the Costs of the Series 2026 Project, as Financed

- (1) Gross assessments represent the assessment placed on the County tax roll each year, if the District elects to use the Uniform Method of collecting non-ad valorem assessments authorized by Chapter 197 of the Florida Statutes. Gross assessments include a 5.5% gross-up to account for the fees of the County Property Appraiser and Tax Collector and the statutory early payment discount.

³ City of Winter Springs v. State, 776 So.2d 255 (Fla 2003)

3.3 True-Up Mechanism

Although the District does not process plats, it does have an important role to play during development. Whenever a parcel's land use and development density and intensity is determined with sufficient certainty, the District must allocate a portion of its debt to the parcel according to the procedures outlined in Section 3.2 above. In addition, the District must also prevent any buildup of debt on land that has not yet been developed. Otherwise, the land could be fully subdivided without all the debt being allocated. To preclude this, a test is conducted when development thresholds are reached within the District. If the development at these thresholds does not cause the debt on the remaining land to increase above a debt "Ceiling Level" illustrated in Table 6 below, then no further action is necessary. However, if the debt on the remaining land does increase, a debt reduction payment will be necessary.

The ceiling level of debt is established at the time each series of bonds is issued. For example, the District plans to issue \$5,740,000 in Series 2026 Bonds to fund the Series 2026 Project. According to the Engineer's Report and the Sarasota County Property Appraiser (Parcel ID 0389061000), there are approximately 41.872 gross acres of land within the District's Series 2026 Assessment Area (a copy of the legal is provided as Exhibit A). Each of these acres will initially be assigned an equal assessment of the \$5,740,000 in remaining unassigned bond debt assessments. The initial ceiling level of debt for gross acres within the District is \$137,084 per acre ($\$5,740,000 / 41.872$). This ceiling level is based upon the best information available at the time of this report, is subject to change, and will only be finalized at the time of the District's first bond issuance.

As adopted by the District's Board of Supervisors in the Master Report, a test will be conducted when 25%, 50%, 75%, and 90% of the acreage as the District is developed. The ceiling amount of debt is determined at the time any District bond issuance is closed. The ceiling amount is the ratio of the amount of debt outstanding divided by the number of acres of land for which no debt allocation has occurred as per this methodology. Table 6 below illustrates when the true-up test will be applied to determine if debt reduction payments are required. However, if the property owner can demonstrate to the District sufficient future development densities (consistent with the opinion of the District Engineer), a true-up payment may be suspended at the District's discretion.

Table 6. True- Up Thresholds, Phase 2

Category	25%	50%	75%	90%	100%
Platted Developable Acres	10.5	20.9	31.4	37.7	41.9
Unplatted Developable Acres	31.4	20.9	10.5	4.2	-
Debt Ceiling per Acre	\$137,084	\$137,084	\$137,084	\$137,084	\$137,084

In the event that additional land not currently subject to the assessments required to repay the debt associated with the CIP is developed in such a manner as to receive special benefit from the CIP, it is contemplated that this Supplemental Report will be re-applied to include such new parcels. The additional land, as a result of applying this Supplemental Report, will be allocated an appropriate share of the special assessments, with all previously-assessed parcels receiving a relative adjustment in their assessment levels.

4.0 Assessment Roll

Table 7 outlines the bond principal assessment per assessable acre for the District. A description of the District, which will be assessed to secure the repayment of the District's Series 2026 Bonds, is found in Exhibit "A." The assessments shall be paid in not more than thirty (30) annual installments for the Series 2026 Bonds.

(1) Gross assessments represent the assessment placed on the County tax roll each year, if the District elects to use the Uniform Method of collecting non-ad valorem assessments authorized by Chapter 197 of the Florida Statutes. Gross assessments include a 5.5% gross-up to account for the fees of the County Property Appraiser and Tax Collector and the statutory early payment discount.

VISTERA, PHASE 2

A SUBDIVISION IN SECTION 34, TOWNSHIP 38 SOUTH, RANGE 19 EAST, CITY OF VENICE, SARASOTA COUNTY, FLORIDA.
BEING A REPLAT OF TRACT 300, VISTERA, PHASE 1, AS RECORDED IN PLAT BOOK 56, PAGE 420

MATCHLINE SEE SHEET 7

TRACT 105
VISTERA PHASE 1,
PLAT BOOK 56, PAGE 420
LAKE & DRAINAGE AREA

- ABBREVIATIONS:**
- LB = LICENSE BUSINESS
 - PCP = PERMANENT CONTROL POINT
 - PRM = PERMANENT REFERENCE MONUMENT
 - S.F. = SQUARE FEET
 - (NR) = NON RADIAL
 - (R) = RADIAL
- LEGEND:**
- 1/2" IRON ROD WITH 1.5" DIAMETER ALUMINUM CAP
 - ▲ STAMPED "LB#7898 PRM" OR OTHERWISE NOTED
 - ▲ MAGNETIC NAIL WITH ALUMINUM DISK STAMPED
 - "LB. 7898 PCP" OR OTHERWISE NOTED
 - INDICATES A CHANGE IN DIRECTION OF RIGHT-OF-WAY

VISTERA, PHASE 2

A SUBDIVISION IN SECTION 34, TOWNSHIP 38 SOUTH, RANGE 19 EAST, CITY OF VENICE, SARASOTA COUNTY, FLORIDA.
BEING A REPLAT OF TRACT 300, VISTERA, PHASE 1, AS RECORDED IN PLAT BOOK 56, PAGE 420

SCALE IN FEET 1"=50'

ABBREVIATIONS:

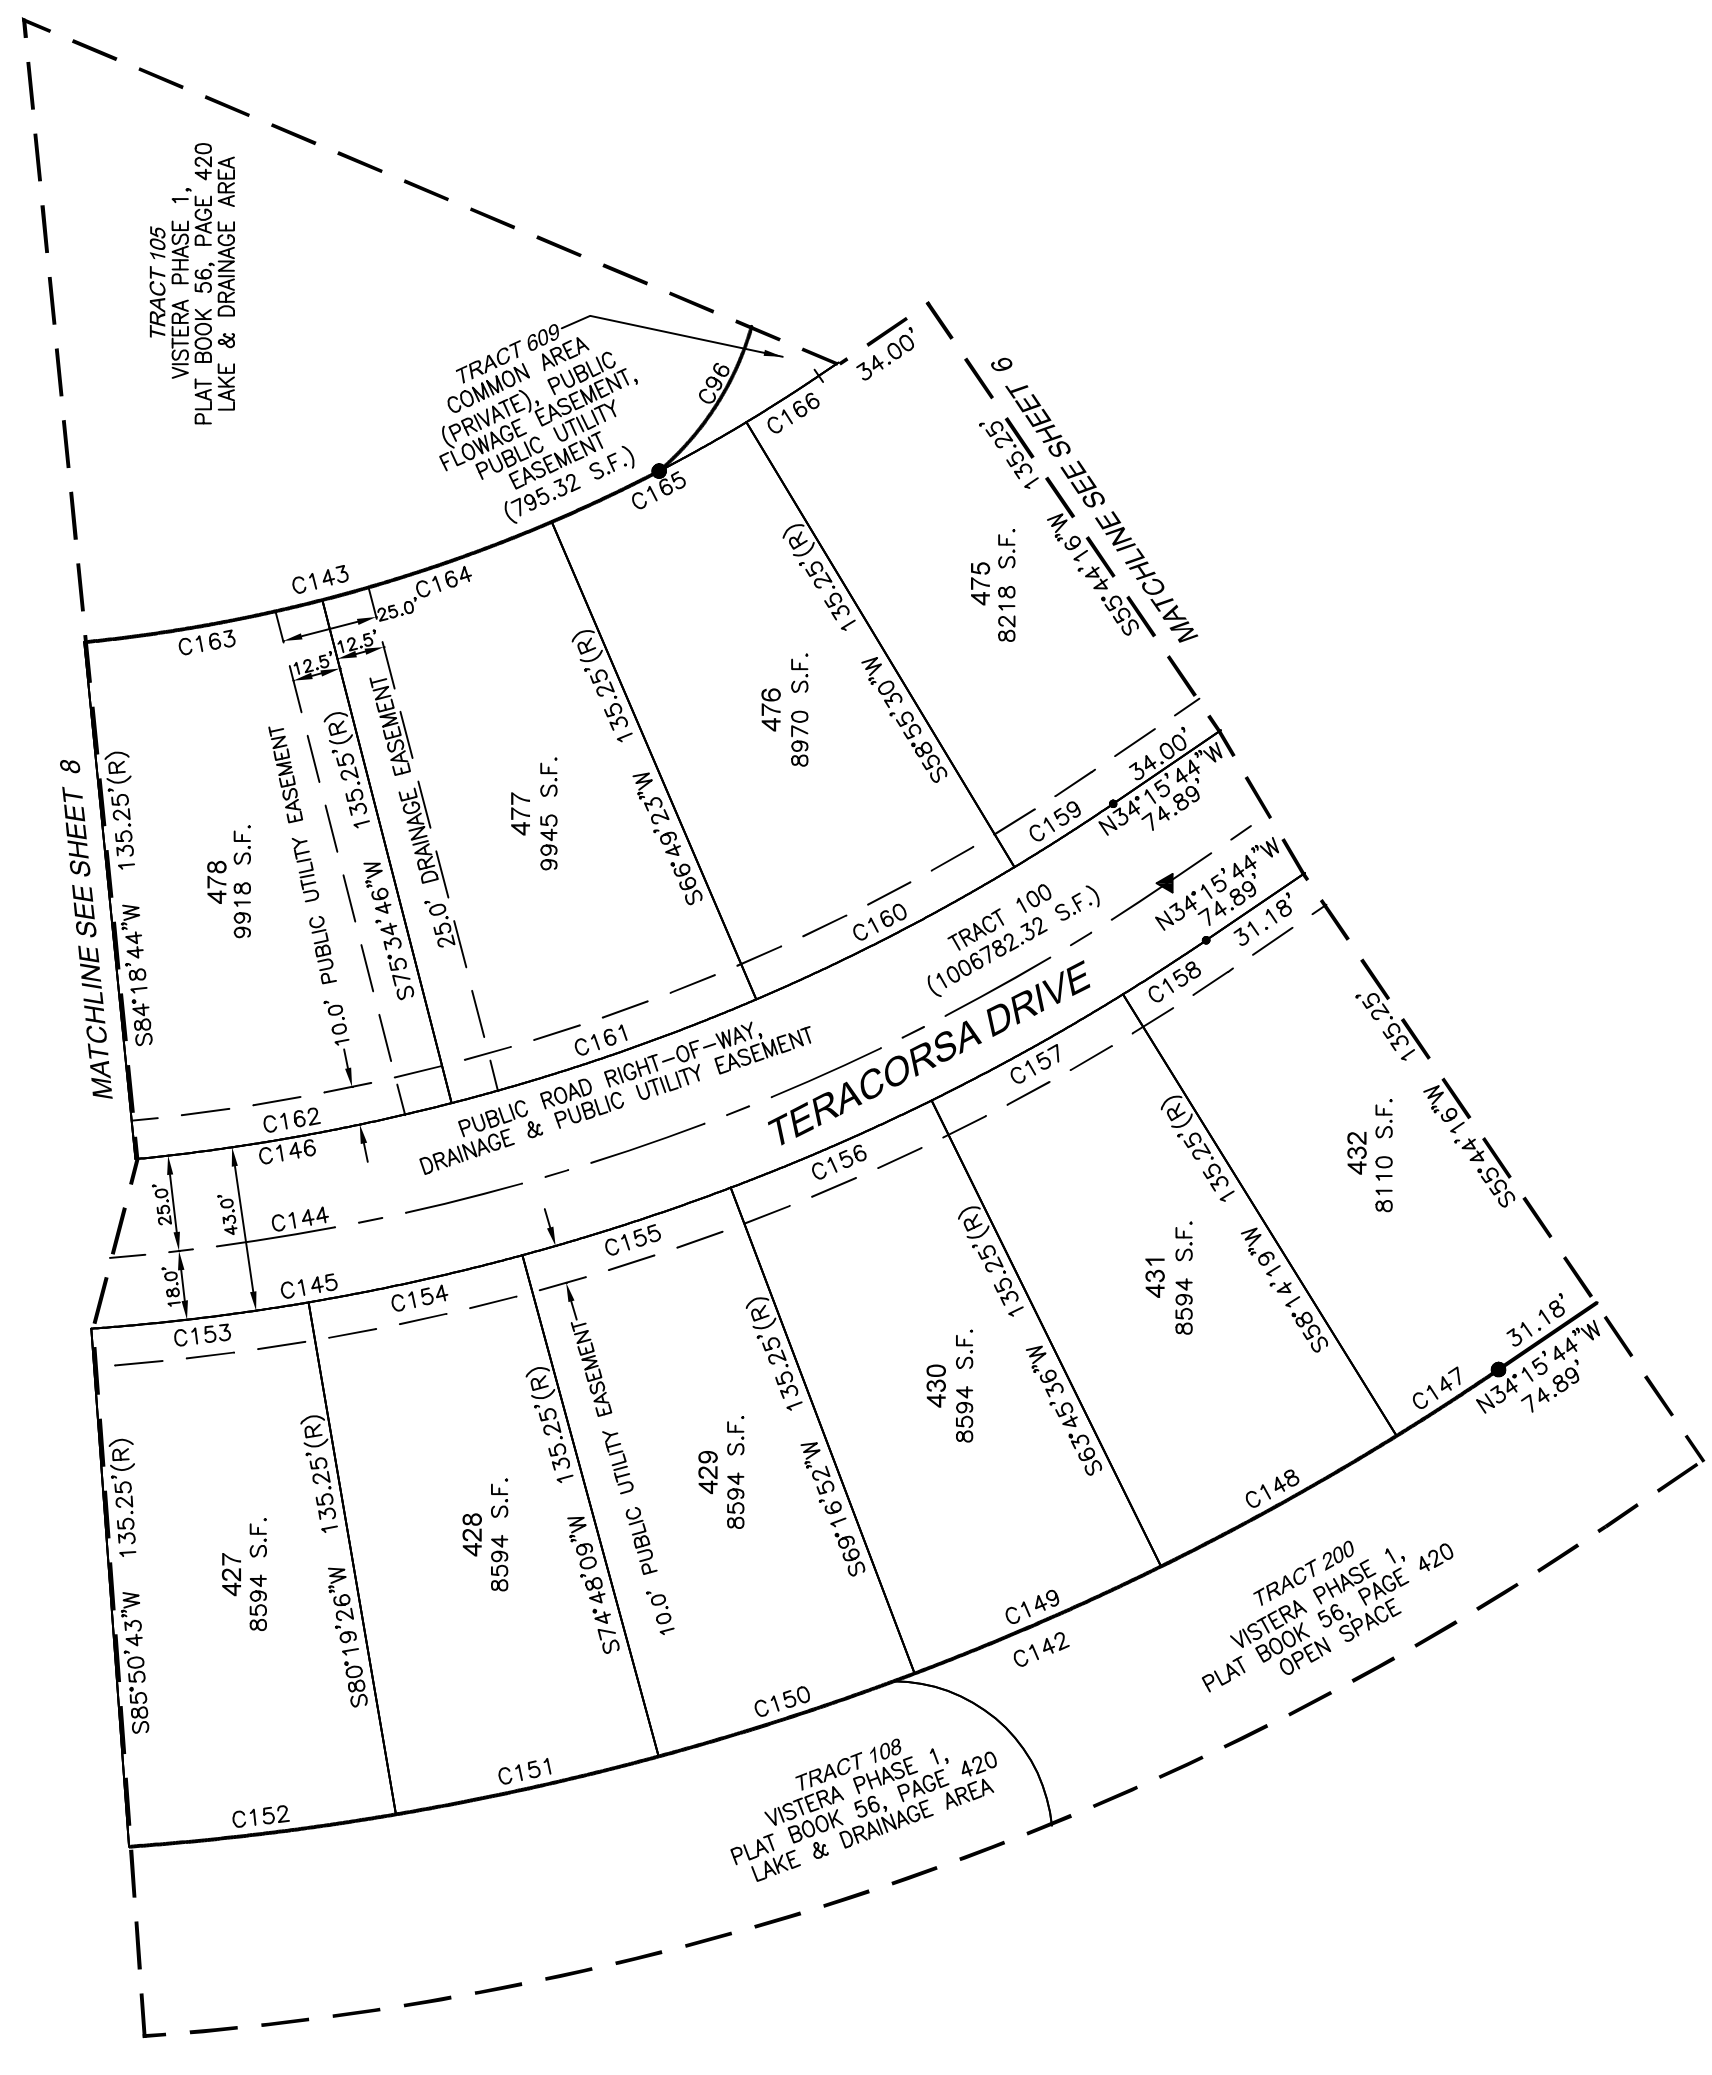

- LB = LICENSE BUSINESS
- PCP = PERMANENT CONTROL POINT
- PRM = PERMANENT REFERENCE MONUMENT
- S.F. = SQUARE FEET
- (NR) = NON RADIAL
- (R) = RADIAL

LEGEND:

- 1/2" IRON ROD WITH 1.5" DIAMETER ALUMINUM CAP
- ◐ STAMPED "LB#7898 PRM" OR OTHERWISE NOTED
- ▲ MAGNETIC NAIL WITH ALUMINUM DISK STAMPED
- "LB, 7898 PCP" OR OTHERWISE NOTED
- INDICATES A CHANGE IN DIRECTION OF RIGHT-OF-WAY

VISTERA, PHASE 2

A SUBDIVISION IN SECTION 34, TOWNSHIP 38 SOUTH, RANGE 19 EAST, CITY OF VENICE, SARASOTA COUNTY, FLORIDA.
BEING A REPLAT OF TRACT 300, VISTERA, PHASE 1, AS RECORDED IN PLAT BOOK 56, PAGE 420

- ABBREVIATIONS:**
- LB = LICENSE BUSINESS
 - PCP = PERMANENT CONTROL POINT
 - PRM = PERMANENT REFERENCE MONUMENT
 - S.F. = SQUARE FEET
 - (NR) = NON RADIAL
 - (R) = RADIAL
- LEGEND:**
- 1/2" IRON ROD WITH 1.5" DIAMETER ALUMINUM CAP
 - ▲ STAMPED "LB#7898 PRM" OR OTHERWISE NOTED
 - ▲ MAGNETIC NAIL WITH ALUMINUM DISK STAMPED
 - "LB, 7898 PCP" OR OTHERWISE NOTED
 - INDICATES A CHANGE IN DIRECTION OF RIGHT-OF-WAY

VISTERA, PHASE 2

A SUBDIVISION IN SECTION 34, TOWNSHIP 38 SOUTH, RANGE 19 EAST, CITY OF VENICE, SARASOTA COUNTY, FLORIDA.
BEING A REPLAT OF TRACT 300, VISTERA, PHASE 1, AS RECORDED IN PLAT BOOK 56, PAGE 420

ABBREVIATIONS:

- LB = LICENSE BUSINESS
- PCP = PERMANENT CONTROL POINT
- PRM = PERMANENT REFERENCE MONUMENT
- S.F. = SQUARE FEET
- (NR) = NON RADIAL
- (R) = RADIAL

LEGEND:

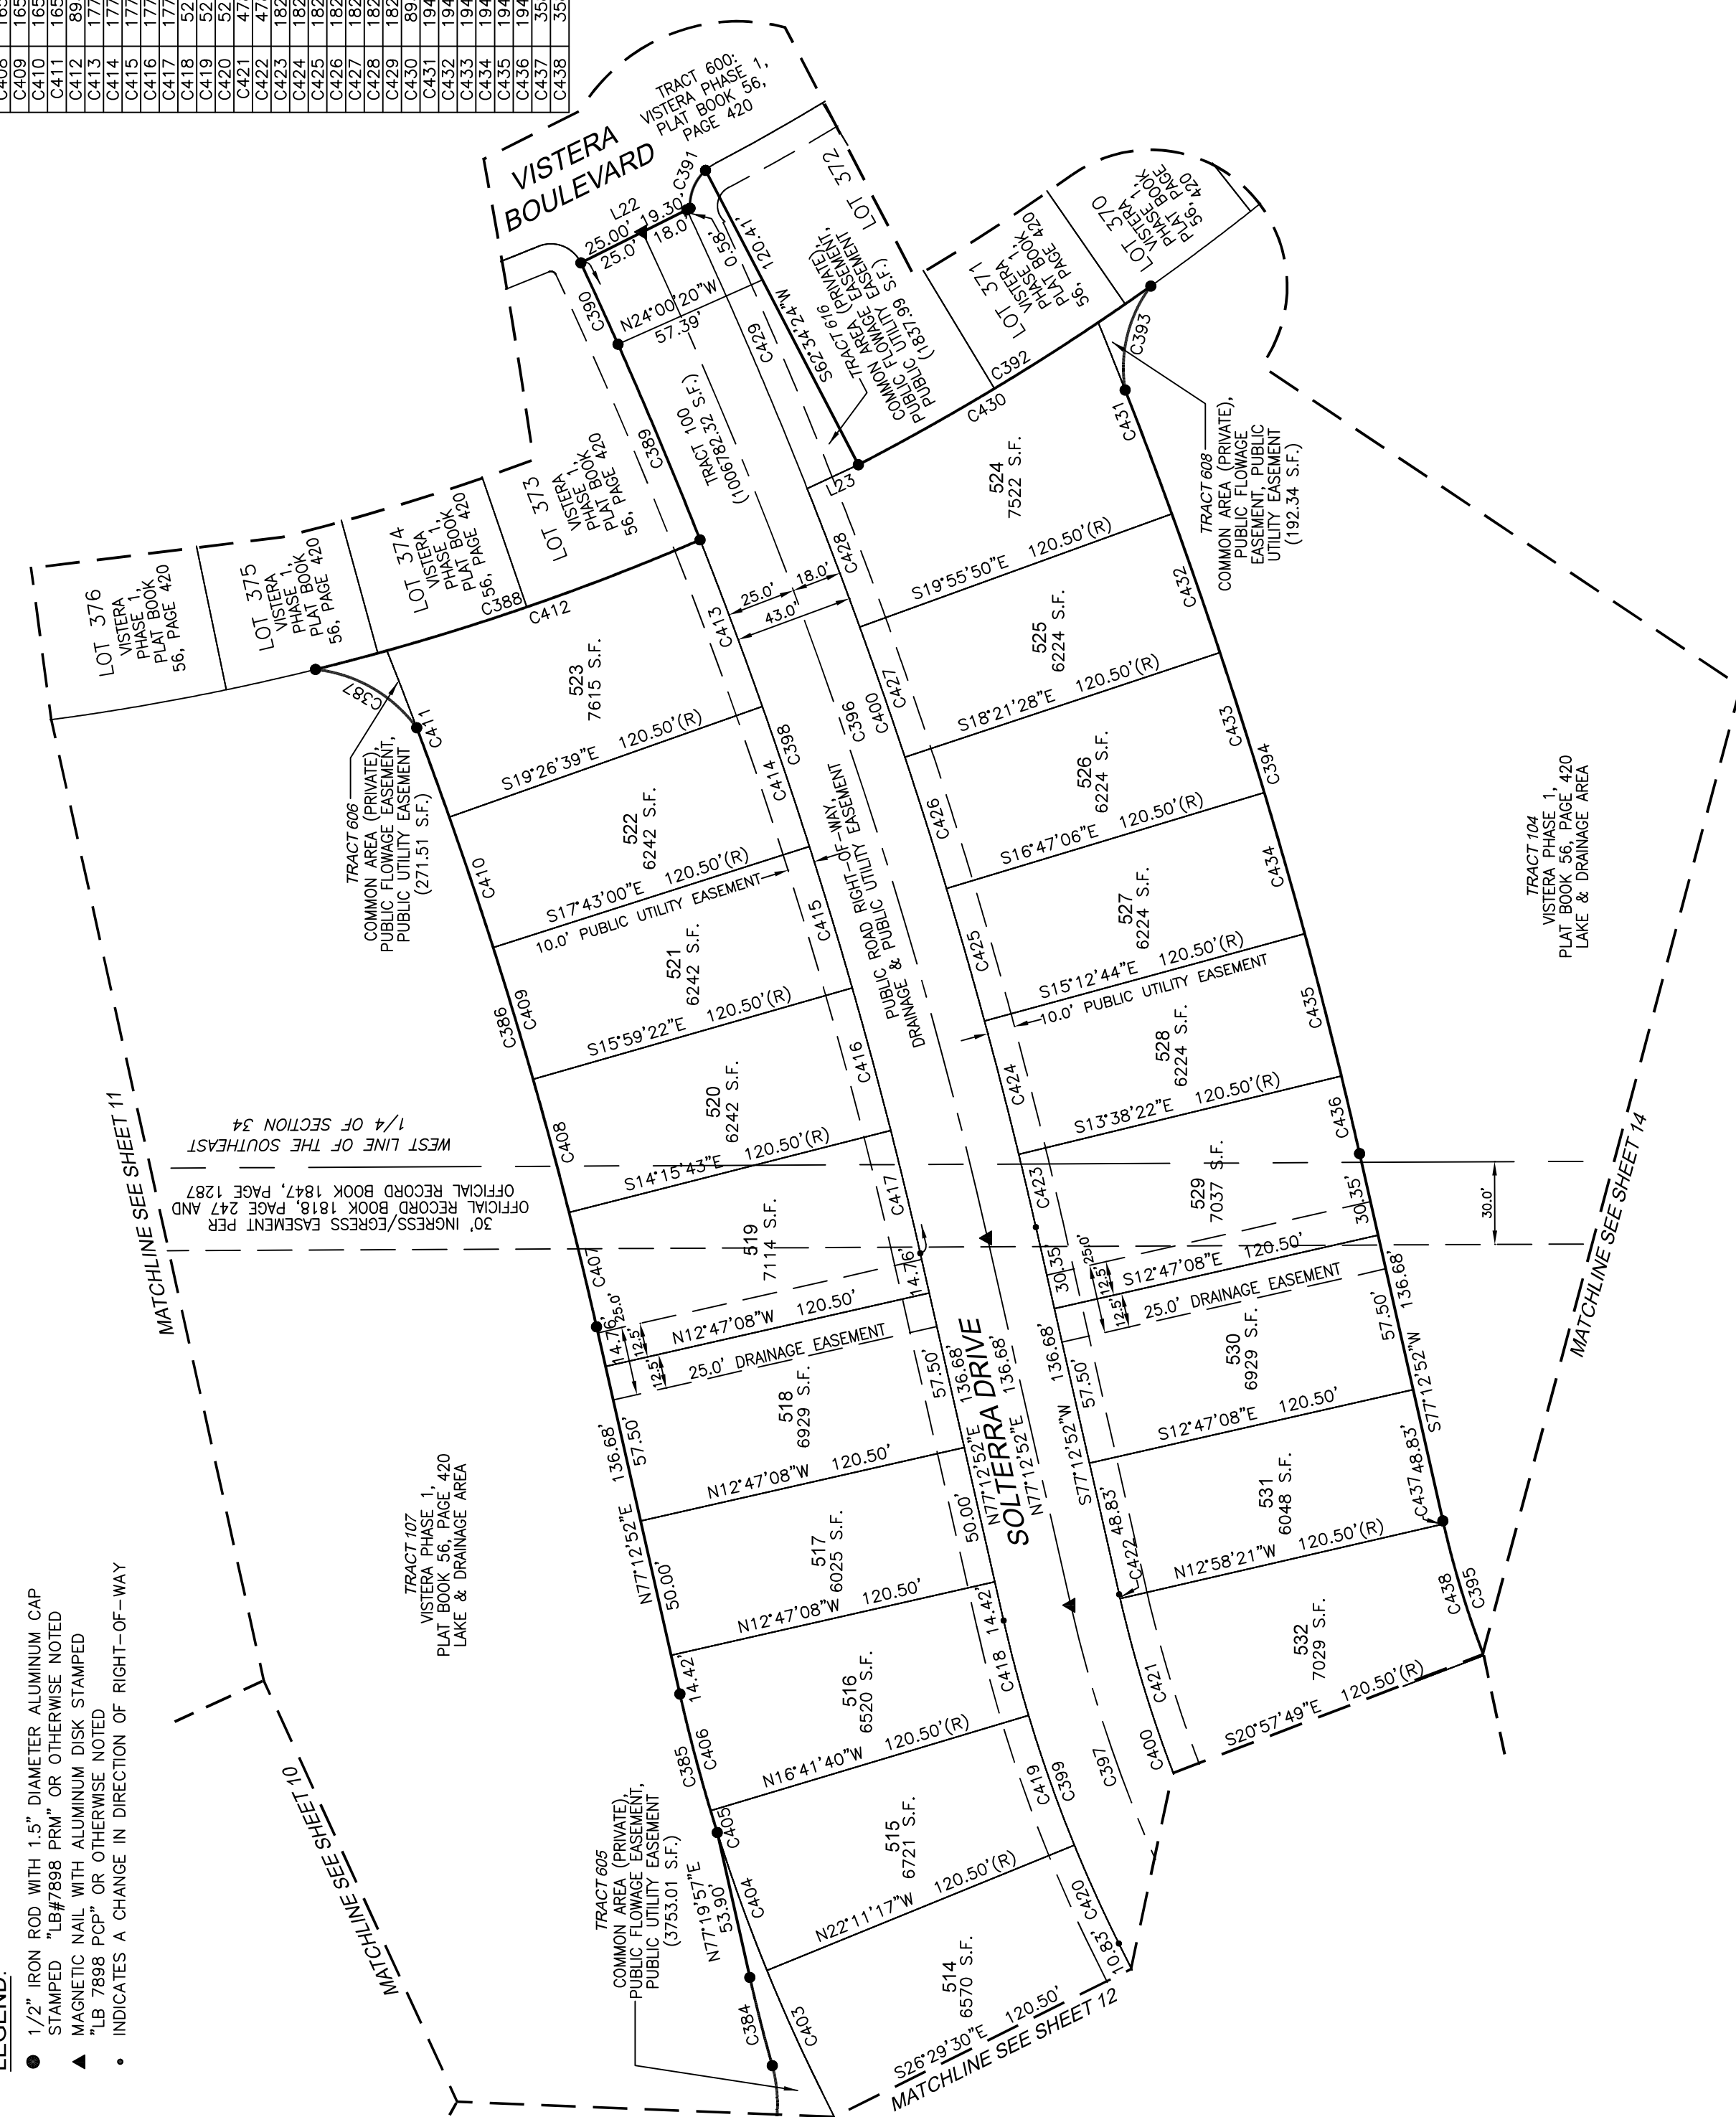

- 1/2" IRON ROD WITH 1.5" DIAMETER ALUMINUM CAP
- ★ STAMPED "LB#7898 PRM" OR OTHERWISE NOTED
- ▲ MAGNETIC NAIL WITH ALUMINUM DISK STAMPED "LB 7898 PCP" OR OTHERWISE NOTED
- INDICATES A CHANGE IN DIRECTION OF RIGHT-OF-WAY

Ladies and Gentlemen,

The bid review committee for the Laurel Road Widening Project has met and has reviewed the bids submitted on August 22nd. Based on the budget available for this project and bid review committee consultation, we have made the decision to reject all bids. We intend to revisit the overall bid package and intend to re-advertise for bid again on or about August 3, 2026.

Bobbi Claybrooke, PE

Laurel Road Community Development District

Field Services Operation Manager

June Story board Field Operations and Maintenance

Vistera

Summary

- Very dry month for landscaping but Impact is doing a good job maintaining the site. More plantings will take place this month.
- Lifestyle director brought on E-Bike maintenance vendor.
- Stain on the pool loungers, issues with firepits, and small items around the amenity will be the focus for June.

Featured Lifestyle Programs & Events

CINCO DE MAYO NACHOS & TEQUILA

Tuesday, May 5th
6:00 pm - 8:00 pm

Cinco de Mayo Nachos & Tequila brought 50–60 residents together for a festive 21+ evening at the Club. Attendees enjoyed a build-your-own nacho bar with a variety of toppings and margaritas in tropical, watermelon, strawberry, and classic lime flavors, with an optional salted rim. The event provided a fun and flavorful way for neighbors to celebrate Cinco de Mayo, socialize, and enjoy an evening of great food and drinks.

FOOD TRUCK VISIT: COUSINS MAINE LOBSTER

Wednesday, May 6th
4:00 pm-8:00 pm

Residents and guests enjoyed a visit from Cousins Maine Lobster, conveniently parked in The Club parking lot. The event was promoted through the food truck's business Facebook page, helping attract additional visitors and support the vendor. Attendees had the opportunity to purchase a variety of menu favorites, including lobster rolls, lobster bisque, lobster tots, lobster quesadillas, and more, while gathering with neighbors and enjoying a unique dining experience close to home.

Featured Lifestyle Programs & Events

MOTHER'S DAY BRUNCH

Saturday, May 9th
10:00 am-12:00 pm

Visterra residents and under-contract homeowners enjoyed a delightful Mother's Day Brunch featuring a continental breakfast spread of pastries, fresh fruit, yogurt, coffee, and refreshing "Mom-osas." Little ones created handmade paper lilies as a heartfelt gift for Mom, adding a special touch to the celebration. With 25 attendees, the event provided a wonderful opportunity for families to connect while honoring the mothers and mother figures in our community.

LA DOLCE VISTERA: THE COMPANION COLLECTIVE

Saturday, May 16th
5:30 pm - 7:30 pm

As part of our ongoing La Dolce Visterra quarterly mini market series, The Companion Collective brought together residents and their four-legged friends for an evening of fun, shopping, and socializing. With an estimated 25-30 attendees, the event featured a complimentary Yappy Hour and wine tasting provided by Back Porch Brewing Co., delicious dog treats available from Lit Dog Treats, and dog-friendly shampoo bars from S&B Soapery. Residents also had the option to participate in a \$7 toy-making workshop hosted by All Ears Dog Training and enjoyed a complimentary dog bandana decorating station hosted by the Lifestyle Team. The event provided a wonderful opportunity for residents and their pups to mingle, support local vendors, and connect with neighbors.

CAMP ADVENTURE: MEMORIAL DAY EXPEDITION

Monday, May 25th
11:00 am - 9:00 pm

Camp Adventure: Memorial Day Expedition brought residents together for a day of camp-themed fun, friendly competition, and community connection. The Lifestyle Team offered a variety of family-friendly and adult-only activities throughout the day, allowing attendees to participate in their favorites. Highlights included a camp-themed scavenger hunt, a visit from Simply Greek by Wynberry food truck, Adult and Kids Splash & Solve Trivia, a sponge relay race, water balloon toss, paracord bracelet craft, and s'mores on the patio. The event welcomed approximately 40 attendees throughout the day, with 10-15 participants joining each scheduled activity.

SPACE	ITEM	STATUS
Amenity TVs	Rokus removed from Moyps. Control4 no longer used to change channels, only ambient music. TVs turn on automatically, but channels changed with Roku remotes. Wall mounted remote holders ordered.	Completed ▾
Outdoor Firepit - Event Lawn	4 new white adirondack chairs and firepit arrived from NLN. Chairs and firepit assembled by Amenity Maintenance Specialist, Ati.	Completed ▾
Pool Deck	Pool deck chairs were turning a rust orange color. Pool was closed temporarily, so Daystar could pressure wash them with a combination of degreaser and bleach.	Completed ▾
Grill - Pool Deck	The grill ignition was not working. Battery located and replaced.	Completed ▾
Emergency Phone	Upon calling, emergency phone does not connect to any representative or company. Field Services working to resolve.	Requested ▾
Screened-In Patio	Door hinge broke off and was missing two screws. Replacements purchased and door was fixed by Ati.	Completed ▾

Facility Operations & Maintenance Cont.

SPACE	ITEM	STATUS
Amenity Fire Extinguishers	With the help of Field Services, new contract was acquired with Pye Barker to perform fire extinguisher inspections. Pye Barker came onsite to renew tags on 5/28/26 and discovered 2 fire extinguishers must be added to outdoor spaces at The Club. Awaiting proposal approval.	Awaiting Approval ▾
E-Bike Maintenance	With approval from Field Services, new agreement acquired with Voltaire E-Bikes to provide twice yearly full service tune ups to all E-Bikes.	Completed ▾
Path to Outdoor Fireplace	Crack observed in sidewalk between E-Bikes and outdoor fireplace. Field Services notified.	Requested ▾
Holiday Lights	Proposal for 2026 holiday lights signed by Lifestyle Director. Working with Land Development to install another outlet at the Border Rd gates.	Completed ▾
Kitchen/Operations	Florida Sales tax certificate acquired. Lifestyle Team and NLN Marketing may now sell Vistera mugs and future merchandise.	Completed ▾
E-Bikes	Aventon brand water bottle holders and mirrors purchased for E-Bikes. Ati will install the new accessories on the bikes.	In Progress ▾
Pool/Club Exterior	Increased bug presence in the pool and exterior of the building. S&G Pools asked to raise water level and vacuum the pool as bugs are accumulating quickly. When time allows, Lifestyle team skims bugs in between pool tech visits.	Completed ▾

Customer Service & Staffing

FEEDBACK	COMMENT	ACTION TAKEN
Positive ▾	Sydney spoke with residents Robert and Michelle B., who were incredibly complimentary of the Lifestyle team and specially Ati. They shared Ati is "so nice!" They also shared they are very pleased with the upkeep of the amenities. Both Robert and Michelle had questions about speeding and the vehicular gates.	Sydney thanked both residents for their kind words, and echoed just how wonderful Ati is. Sydney also let the residents know that the CDD would be the party to reach out to regarding their speeding concerns, and mentioned they can attend meetings as well.
Positive ▾	NLN Marketing Team received a 100% positive rating from a 7-month new resident survey, from resident Sally B. Direct quote: "Sydney is very organized and kind."	Review was forwarded on to Lifestyle Team. Sydney will thoroughly thank Sally when she sees her next.
Positive ▾	Resident Winola D., was struggling with her Proptia app glitching. Sydney put in a ticket to Safetouch, and Rob Franco from the company was able to call Winola. Her app issue was resolved, and Rob stated "You are very lucky to have Sydney onsite, she's great." Winola came to tell Sydney she could not agree more with Rob's comments and to thank her for resolving her app issues. "	Sydney shared with Winola her kind words made her day, and thanked Rob over at SafeTouch as well.
Positive ▾	Resident Kathy K. expressed concerns regarding the pool conditions after noticing a low water level and the presence of bugs. Following coordination with S&G Pools to address and resolve the issue, Kathy shared the following feedback: "Thank you, Sydney, for all your efforts in implementing the changes to the pool conditions. The pool was pristine this morning!"	Sydney thanked Kathy and continues to monitor the pool amid increased bug presence and resident usage.

Laurel Road Community Development District

AUDITOR SELECTION COMMITTEE MEETING

**LAUREL ROAD COMMUNITY DEVELOPMENT DISTRICT
REQUEST FOR PROPOSALS FOR ANNUAL AUDIT SERVICES**

The Laurel Road Community Development District hereby requests proposals for annual financial auditing services. The proposal must provide for the auditing of the District's financial records for the fiscal year ending September 30, 2026, with an option for two (2) additional annual renewals. The District is a local unit of special-purpose government created under Chapter 190, Florida Statutes, for the purpose of financing, constructing, and maintaining public infrastructure. The District is located in Sarasota County and has an operating budget of approximately \$866,511.37. The final contract will require that, among other things, the audit for Fiscal Year 2026 be completed no later than June 1, 2027.

Each auditing entity submitting a proposal must be authorized to do business in Florida; hold all applicable state and federal professional licenses in good standing, including but not limited to a license under Chapter 473, Florida Statutes; and be qualified to conduct audits in accordance with "Government Auditing Standards," as adopted by the Florida Board of Accountancy. Audits shall be conducted in accordance with Florida law and particularly Section 218.39, Florida Statutes, and the rules of the Florida Auditor General.

Proposal packages, which include additional qualification requirements, evaluation criteria and instructions to proposers, are available from the District Manager at the address and telephone number listed below.

Proposers must provide three (3) hard copies of their proposal and one (1) electronic copy (flash drive) to Vivian Carvalho, District Manager, located at 3501 Quadrangle Boulevard, Suite 270, Orlando, FL 32817 in an envelope marked on the outside "Auditing Services – Laurel Road Community Development District." Proposals must be received by **July 29, 2026, at 5:00 p.m.** at the office of the District Manager. Please direct all questions regarding this Request for Proposals to the District Manager, who can be reached at (407) 723-5900.

Any protest regarding the terms of this Notice, or the proposal packages on file with the District Manager, must be filed in writing at the offices of the District Manager within seventy-two (72) calendar hours (excluding weekends) after publication of this Notice. The formal protest setting forth with particularity the facts and law upon which the protest is based shall be filed within seven (7) calendar days after the initial notice of protest was filed. Failure to timely file a notice of protest or failure to timely file a formal written protest shall constitute a waiver of any right to object or protest with respect to aforesaid Notice or proposal package provisions.

Vivian Carvalho

**LAUREL ROAD COMMUNITY DEVELOPMENT DISTRICT
REQUEST FOR PROPOSALS**

**District Auditing Services for Fiscal Year 2026
Sarasota County, Florida**

INSTRUCTIONS TO PROPOSERS

SECTION 1. DUE DATE. Sealed proposals must be received no later than **July 29, 2026, at 5:00 p.m.**, at the offices of the District Manager, PFM Management Services LLC., located at 3501 Quadrangle Boulevard, Suite 270, Orlando, FL 32817.

SECTION 2. FAMILIARITY WITH THE LAW. By submitting a proposal, the Proposer is assumed to be familiar with all federal, state, and local laws, ordinances, rules and regulations that in any manner affect the work. Ignorance on the part of the Proposer will in no way relieve it from responsibility to perform the work covered by the proposal in compliance with all such laws, ordinances and regulations.

SECTION 3. QUALIFICATIONS OF PROPOSER. The contract, if awarded, will only be awarded to a responsible Proposer who is qualified by experience and licensing to do the work specified herein. The Proposer shall submit with its proposal satisfactory evidence of experience in similar work and show that it is fully prepared to complete the work to the satisfaction of the District.

SECTION 4. SUBMISSION OF ONLY ONE PROPOSAL. Proposers shall be disqualified, and their proposals rejected if the District has reason to believe that collusion may exist among the Proposers, the Proposer has defaulted on any previous contract or is in arrears on any previous or existing contract, or for failure to demonstrate proper licensure and business organization.

SECTION 5. SUBMISSION OF PROPOSAL. Each Proposer shall submit three (3) hard copies and one (1) electronic copy (flash drive) of the Proposal Documents (defined below), and other requested attachments at the time and place indicated herein, which shall be enclosed in an opaque sealed envelope, marked with the title "Auditing Services – Laurel Road Community Development District" on the face of it.

SECTION 6. MODIFICATION AND WITHDRAWAL. Proposals may be modified or withdrawn by an appropriate document duly executed and delivered to the place where proposals are to be submitted at any time prior to the time and date the proposals are due. No proposal may be withdrawn after opening for a period of ninety (90) days.

SECTION 7. PROPOSAL DOCUMENTS. The proposal documents shall consist of the notice announcing the request for proposals, these instructions, the evaluation criteria and a proposal with all required documentation pursuant to Section 12 of these instructions (the "Proposal Documents").

SECTION 8. PROPOSAL. In making its proposal, each Proposer represents that it has read and understands the Proposal Documents and that the proposal is made in accordance therewith.

SECTION 9. BASIS OF AWARD/RIGHT TO REJECT. The District reserves the right to reject any and all proposals, make modifications to the work, and waive any informalities or irregularities in proposals as it is deemed in the best interests of the District.

SECTION 10. CONTRACT AWARD. Within fourteen (14) days of receipt of the Notice of Award from the District, the Proposer shall enter into and execute a contract or engagement letter with the District.

SECTION 11. LIMITATION OF LIABILITY. Nothing herein shall be construed as or constitute a waiver of Districts limited waiver of liability contained in section 768.28, Florida Statutes, or any other statute or law.

SECTION 12. CONTENTS OF PROPOSALS. All proposals shall include the following information in addition to any other requirements of the Proposal Documents.

- A.** List position or title of all personnel to perform work on the District audit. Include resumes for each person listed; list years of experience in present position for each party listed and years of related experience.
- B.** Describe proposed staffing levels, including resumes with applicable certifications.
- C.** Provide three (3) references from projects of similar size and scope. The Proposer should include information relating to the work it conducted for each reference as well as a name, address and phone number of a contact person. Identify any work previously conducted for other community development districts.
- D.** The lump sum cost of the provision of the services under the proposal, plus the cost of two (2) annual renewals.

SECTION 13. PROTESTS. In accordance with the District's Rules of Procedure, any protest regarding the Proposal Documents, must be filed in writing, at the offices of the District Manager, within seventy-two (72) hours after the receipt of the proposed contract documents. The formal protest setting forth with particularity the facts and law upon which the protest is based shall be filed within seven (7) calendar days after the initial notice of protest was filed. Failure to timely file a notice of protest or failure to timely file a formal written protest shall constitute a waiver of any right to object or protest with respect to aforesaid contract award.

SECTION 14. EVALUATION OF PROPOSALS. The criteria to be used in the evaluation of proposals are presented in the evaluation criteria, contained within the Proposal Documents.
